

# Together Time

**God Made Me Special:** Genesis 1:26-31; 2:19, 20; Psalm 8; 139:13-16; Matthew 10:30

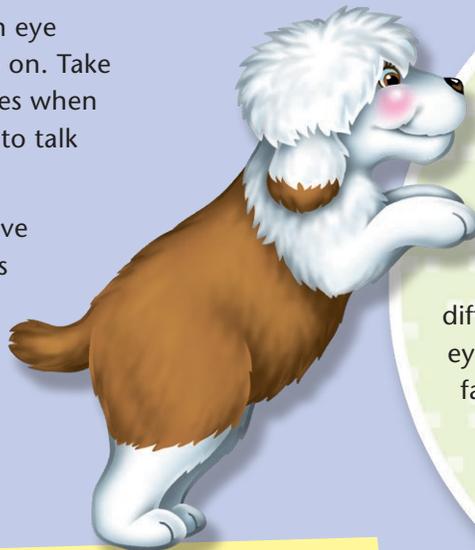

## Family Talk

Remember when your child discovered her hand for the first time? Those big

eyes realizing, as the hand moved, that it was attached. Children have a natural curiosity about the world. It is not long before sharp, young minds can begin to understand that God made each of us special.

Children soon notice differences in eye color, hair color, skin color, and so on. Take advantage of informal opportunities when children are exploring their world to talk about God the creator.

During the early years, you can have a significant impact on your child's appreciation of people and our wonderful creator. Look for times when you can reinforce your child's knowledge of God's presence, goodness, and power.

## Bible Memory FUN

### Psalm 139:14

Find this verse in a family Bible. Using the words to the verse, create a rhyme or rhythm you can

repeat together throughout the week.

This week, help your child remember:

**God made each of us special.**

## Family Fun...

**Mirror, Mirror.** Gather your family around a wall mirror or provide a handheld mirror. As everyone looks in the mirror, point out likenesses and differences. What color are each person's eyes? hair? Is the person short or tall? Which family members have family traits, such as a dimple in the chin? Ask each person to look in the mirror and show a look of heartfelt gratitude as you thank God for making that person special.

## Daily Talks with God

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

Wow! God made me special!

Dear Lord, thank You for making me.

I praise You, God, in my own special way.
