

Together Time

Lydia Follows Jesus: Acts 16:13-15

Family Talk

Following Jesus requires us to listen to Him and learn what He wants for our

lives. This week, share with your child various ways to learn about Jesus.

- Choose and read favorite Bible story picture books about Jesus.
- Look at a Bible. Read verses from Matthew–John where Jesus is talking to and teaching people.
- Sing favorite songs about Jesus.
- Share a personal story that helped you learn something about following Jesus.

The time you spend together will help your child understand that learning to follow Jesus can be both fun and rewarding.

Bible Memory FUN

Mark 16:15

Bookmark this verse in a family Bible. Help your child locate the verse in the Bible, and repeat it together.

This week, help your child remember:

We can learn about Jesus.

Family Fun...

Bible Verse Scavenger Hunt. Select several Bible verses that are your family's favorites. In a family Bible, place a paper heart where each verse is located. Take turns finding the hearts. When a heart is located, read the verse aloud. Talk about how much we learn about Jesus from the Bible. Thank God for giving us His Word.
