## Rain Comes Down

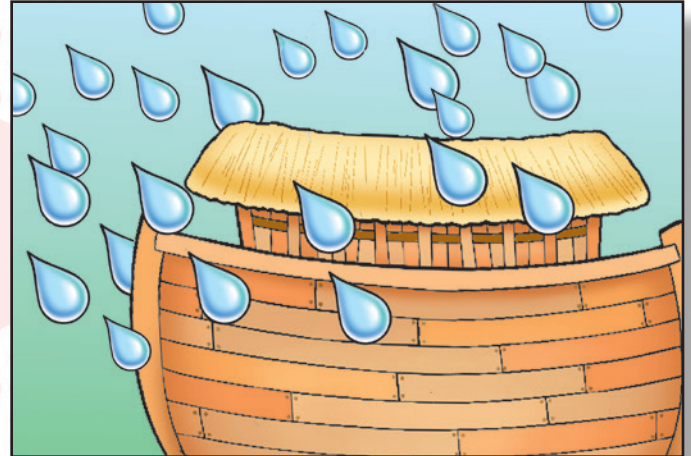

Genesis 6:9-9:17

July 22, 2018

Read  
Together

Look! It's raining. But Noah and the animals are safe. God kept Noah and the animals safe inside the ark.

Art by Kathryn Marlin

### Bible Words

#### "I can love God"

(based on Deuteronomy 6:5).

Clap your hands while saying the Bible Words. Encourage your child to clap her hands and say the words with you.

Rain comes down, all around,  
*(wiggle fingers)*  
on my head and on my toes.  
*(touch head and toes)*  
Rain comes down, all around,  
*(wiggle fingers)*  
on my head and on my nose!  
*(touch head and nose)*

Things  
to Do  
Together

### It's Raining!

Fill a plastic tub with water and punch holes in a few plastic bowls or containers. Show your child how to get water in a bowl or container, hold it up, and watch it rain. Remind her that Noah and the animals were on the boat when it was raining.

### Raindrops

You will need a medicine dropper or a turkey baster for this activity. Put some water in a bowl. Show your child how to squeeze the bulb to fill and empty the dropper. Show her how to hold it high and make raindrops. For added fun, add a little blue food coloring to the water.
