It's fun to play! These two boys are playing with blocks and balls. They know that God cares for them when they are playing.

Bible Words

"God cares for me"
(based on 1 Peter 5:7).

Say the Bible Words. Then ask your child to say them with you. Have your child point to herself.

(Sing to the tune of "This Is the Way" while your child plays.)

God cares for you when you're playing,
playing, playing.
God cares for you when you're playing.
Thank You, God.

My Favorites

Set aside some time this week to play with your child. Let her choose some of her favorite things to play with. Play with her and enjoy the laughter and giggles. As you play, tell her that God cares for her when she's playing. Sing the song suggested in "Sing Together."

Things
to Do
Together

Box Bowling

Collect a few empty food boxes and set them close together on the floor. Show your child how to knock down the boxes by rolling or tossing a ball at them. She will be ready to knock them down again almost before you can set them up!
