

Together Time

Fisherman Follow Jesus: Luke 5:1-11

Family Talk

Teaching children to obey is an important part of the parenting process. Children

need to learn at an early age the importance of being obedient. They need to know that sometimes being obedient can be difficult, especially when friends and other people around them are not obeying.

Invest time in discussing the rules for your home. When possible, encourage children to be a part of the process of establishing family rules. Then be consistent in enforcing the rules. Reward a child with encouragement and affirmation when rules are obeyed and followed. Follow up any disobedience with the appropriate consequence. Remember that a commitment to obey God's rules will help your child obey rules at home, at school, and throughout his life.

Bible Memory FUN

Matthew 4:19

Find this verse in a family Bible. Hide cutout paper fish around the room. Whenever a fish is found, shout the Bible Memory.

This week, help your child remember:

Jesus wants us to obey Him.

Family Fun...

Role-play. Equip family members with a fishing net (a bedsheet) and paper fish. Using a couch as your fishing boat, pretend to be fishermen. Together, act out the Bible story found in Luke 5:1-11. Talk about how the boats were almost sinking because the nets were so full of fish. Discuss why the fishermen left their nets and followed Jesus.

Daily Talks with God

Use these thoughts at mealtimes, bedtimes, or other times when you pray with your child this week.

The fishermen's nets became full of fish.
God, You are great.

Help me, God, to follow and obey You.

Jesus is special. He is God's Son!
