

♥ FAITH & FAMILY

GAME TIME!

Ask each family member to gather several items that would make a distinct sound when dropped on a hard surface. The items can be hidden in plastic grocery bags until they are needed. Take turns dropping the collected items, one by one. With their backs turned to the person dropping the items, other family members are to try to identify each item by how it sounds. Talk about the importance of carefully listening to parents, teachers, bosses, and, most of all, Jesus!

TOGETHER TIME!

Gather the family for story time. Ask a volunteer to tell or read a favorite story. Tell the rest of the family to listen carefully because there will be a prize for the best listener. When the person is done telling the story, have her ask questions about the story. Award a small prize to the person who correctly answers the most questions. Continue the story time, allowing other family members to tell or read stories. Pray and ask God to help each family member be a good listener, especially when it comes to listening to Jesus.
