FOR THE BEAUTY OF THE EARTH

The words to this hymn written in 1864 by Folliott S. Pierpoint describe the glory of God seen in both the creation of the heavens as well as the earth. Read the first two verses and the refrain of this hymn below.

Verse 1:

For the beauty of the earth,
For the glory of the skies,
For the love which from our birth
Over and around us lies.

In the space provided below, write a new verse to this hymn to celebrate God as Creator of a universe filled with endless marvels.

Refrain:

Christ our God, to Thee we raise
This our hymn of grateful praise.

Verse 2:

For the wonder of each hour
Of the day and of the night,
Hill and vale and tree and flower,
Sun and moon and stars of light.
