## Image Gallery Quick Start Guide

### Cover Page/Table of Content Links

To jump to a specific bundle item: click on a product name/link icon e.g., Watercolor Texture Pack🔗 (The product name has been included as part of the link so as to make the target larger meaning you don't just have to click on the green link icon). Once you navigate to a specific page, you can click the green 'Back to Top' button at the bottom right of each page.

### Bookmarks Panel

I've included Bookmarks for those who prefer to use the Bookmarks Panel. The advantage of this panel is that one can jump from point to point *without* needing to return to the Cover Page/Table of Contents each time thus saving on the number of clicks required to navigate the image gallery.

- I've set the Bookmarks Panel to be visible by default but should you ever turn it off and want it back... just click on the blue bookmark icon on the left. These bookmarks may not automatically show for you when using Preview on Mac. To fix this, you can go to View > Table of Contents.
- A '+' sign next to the designer's name indicates that one or more levels of subfolders exist. To view the subfolders, just click on/off the '+' sign to expand/collapse a folder.

### Search Functionality

You're able to use Acrobat's search functionality to search for specific words within this PDF (i.e., designers, filenames, and product names). This is a quick and handy way to find the specific items that you're looking for more details on.

- ACCESS: Edit > Find (CTRL + F) -or- Edit > Advanced Search (Shift + CTRL + F)
- TIP: If you save all of your Image Gallery Guides to the same folder... the Advanced Search option will allow you to search both your current document and all PDF documents within a given folder i.e., you can search multiple PDFs at the same time.

Chandler  
&  
Veronica

Invite you to join them at the celebration their marriage  
SATURDAY, AUGUST 9 TH, 2015

Love is not how we forget  
but how we forgive  
and love is not what we hear  
but what we feel

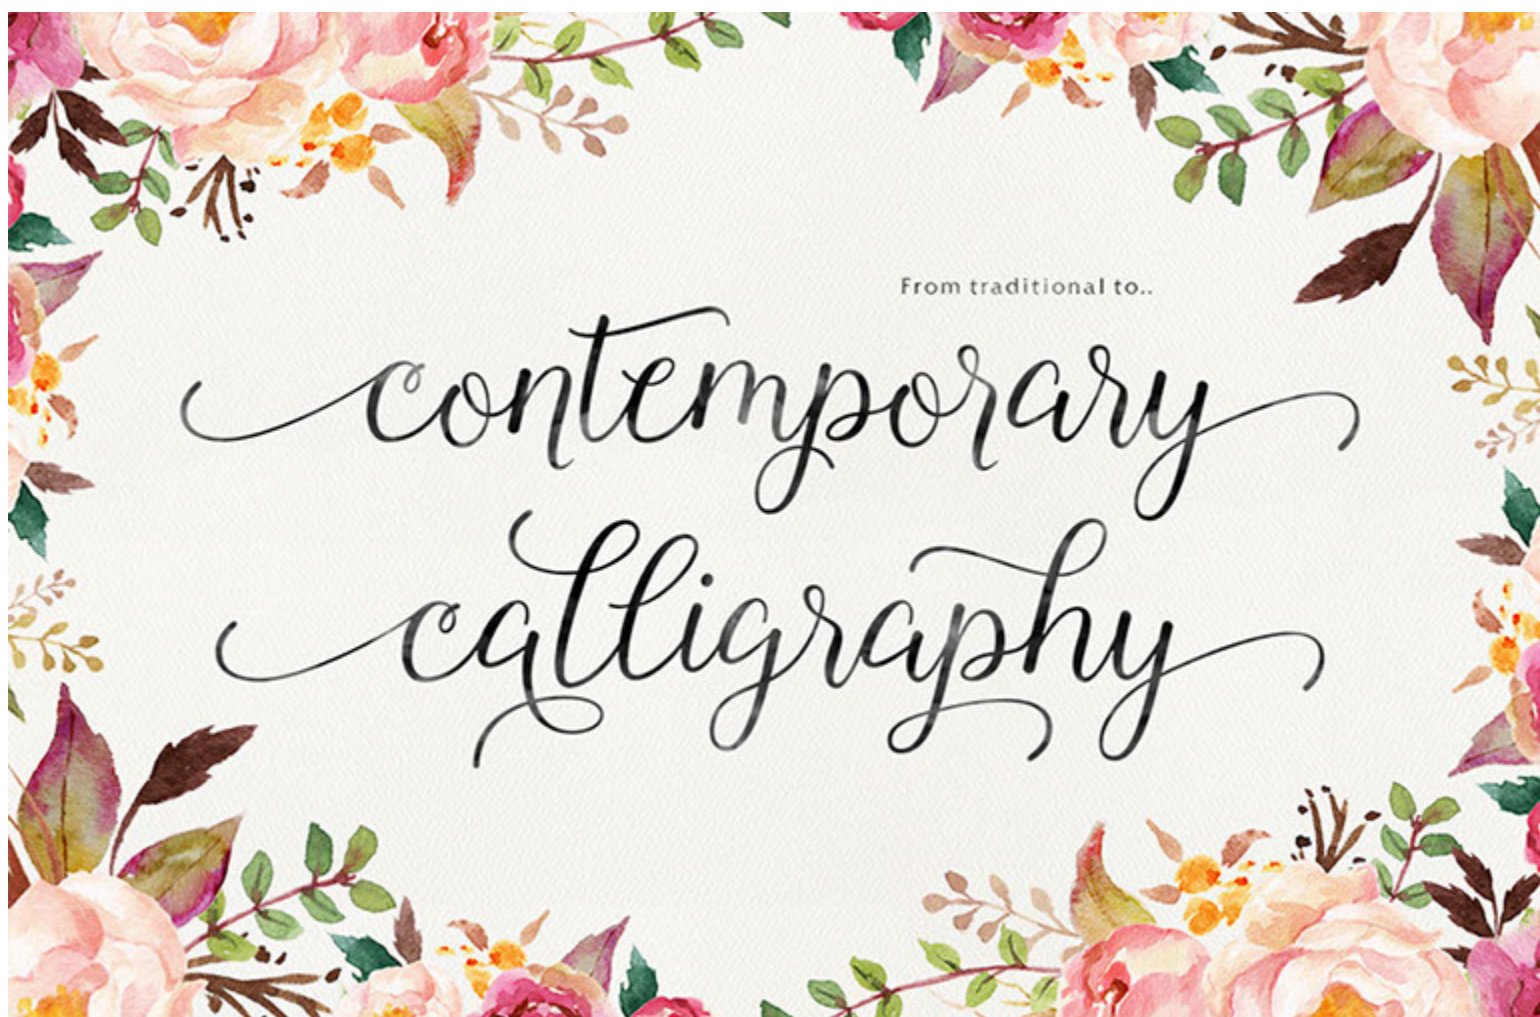

The image is a wedding invitation card. It features a cream-colored background with a delicate floral border of pink and yellow roses and green leaves. The names 'Chandler & Veronica' are written in a large, elegant cursive script. Below the names, the wedding date is printed in a small, simple font. At the bottom, a romantic quote is written in the same cursive script as the names.

andy is made by dissolving sugar in water to form a syrup, which is boiled until it reaches a certain concentration or starts to caramelize. The texture depends on the ingredients and how long the mixture is boiled. Candy comes in a wide variety of textures, from soft and chewy to hard and brittle. Some examples are: caramel candy, toffee, fudge, lollipop, hard candy, rock candy, jelly beans, gumdrops, candy canes, etc.

Colonel Paul W. Tibbets

Kernpunkt der Charta war die Schaffung eines Systems, das die internationale kontrollierte Intervention bei Verstößen ermöglichen sowie die internationale Eine besondere Rolle als Garanten des Weltfriedens wurde dabei für die Hauptmächte Großbritannien, Frankreich und China vorgesehen, die permanente Sitze und Vetorechte in der Generalversammlung der Vereinten Nationen erhielten. Am 10. Dezember 1948 wurde die Allgemeine Versammlung der Vereinten Nationen in New York City eröffnet, auf deren Grundlage später weitere international bindende Verträge beschlossen sind, darunter die Konvention über die Verhütung und Bestrafung des Völkermordes.

**Blockbildung und Kalter Krieg**

Der Zweite Weltkrieg ging sowohl in Europa als auch in Asien relativ nahtlos in den Kalten Krieg über. Während des Krieges gab es Differenzen zwischen der Sowjetunion und den Westmächten, die aber nicht in den Vordergrund gestellt wurden. An diesen Differenzen wurde der Sowjetunion schuld. In diesem Sinne waren Hiroshima und Nagasaki nicht nur die ersten Bomben des Zweiten Weltkrieges, sondern auch die ersten Bomben des Kalten Krieges. Ebenso war die Teilung der Welt in eine sowjetische Hemisphäre in den Westen und das beständige kommunistische Lager in der Sowjetunion ein Ergebnis des Zweiten Weltkrieges, sondern auch ein Grund für den Kalten Krieg.

In einer Rede in Fulton, Missouri, 1946 gebrauchte Winston Churchill erstmalig den Begriff "Eisen Vorhangs" zur Beschreibung des nunmehr in Einflussphären geteilten Nachkriegs.

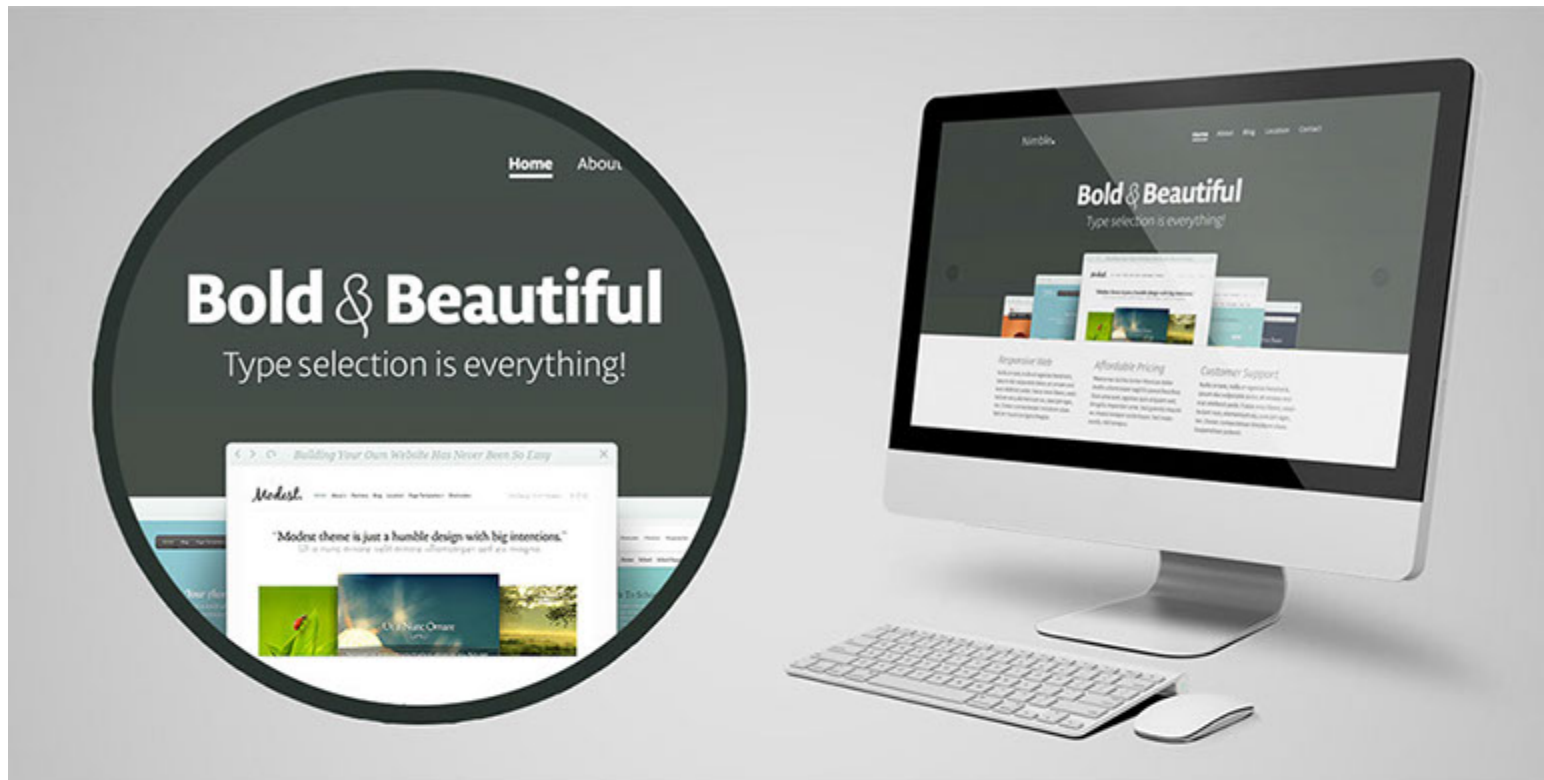

The Action-Centric Perspective is based on an empiricist philosophy and broadly connects the agile approach and a methodical design process. Substantial empirical evidence supports the veracity of this perspective in describing the actions of real *designers*.
