[COMING] \$417 in 24hr Case Study Dropping Soon...

Body:

Hey,

A brand new training will be released at 10am EST on Thursday that will help you CRUSH affiliate marketing WITHOUT an email list (believe it or not this is actually better) or the need to have your own following.

DESTINY is a revolutionary new training that teaches you to get insane conversion rates with... robots? These little chat robots that JayKay has been setting up can be used to sell a variety of products, without ever having to deal with the complicated coding skills you usually need for these.

JayKay even has a short over-the-shoulder case study showing what happens a few hours after he activated one his DESTINY robots.

=> Watch The Case Study Here (<https://destiny.jaykaydowdall.com/destiny-case-study>)

Here's why you should grab DESTINY this week:

- 100% Newbie Friendly Training
- Never Before Seen Applications
- Build Leaderboard Winning Promos WITHOUT an Email List
- 3 Case Studies Included
- Step By Step Training Included
- Collect Buyer Leads With Autoresponder Integration
- Instant VIRAL Traffic With 1-Click Chatbots
- Works in ANY Niche
- Nothing To Download
- Completely Free Traffic!

The doors open at 10am EST on July 26th (Thursday) so please activate your copy of DESTINY the minute the doors open, to ensure you get in at the lowest possible price.

The price will be super low for the first FIVE hours. Then there will be a price increase, and I wouldn't want you to pay that!

I'll update you when this one is LIVE!

Regards,

Body 1:

Good Morning!

DESTINY is now LIVE!

Early bird starts now, but the price rises at 5pm EST this afternoon, so please grab your copy right now!

=> Lock In Your Early Bird Discount

DESTINY is a unique piece of training that will immediately put an end to the expensive costs that are traditionally associated with successful affiliate marketing.

This awesome course teaches you to create affiliate robots to do the selling for you so you can simply focus on finding products to sell and your little robot buddy does the work for you. Cool, right?

All you have to do is select a product from any affiliate network like WarriorPlus, JVZoo, or a CPA offer, input the links in your robot, and BOOM – sales.

My favorite part? JayKay shows you how to do this with completely free training!

Body 2:

Hey,

If you want to crush it this year...

Without needing your own list...

And without needing to spend a fortune on crazy software...

Then DESTINY is the perfect solution.

=> Lock In Your Early Bird Discount

DESTINY is a brilliant new training that teaches you how to create super simple (but hugely effective) affiliate marketing robots, without the usual expensive fees that come with paying someone to do this kind of coding for you.

No experience is required to use this course, and no technical skills are needed.

It's a beautiful classroom experience that is copy-n-paste easy!

=> Lock In Your Early Bird Discount

Newbies are seeing sales within their first day of using the course...

And you could be next in line!

Get started today.
