Detention Master
Volume One

Welcome to Sammy Simpkins and the Detention Master Vol. 1

Sammy makes friends with a new student at the reform school.

Not only is the new student a beautiful Thai student, but she also shares

**Sammy's love of corporal punishment. Sammy is very friendly with
the detention master and very soon the twosome becomes a threesome.**

**Sammy trusts her friend to be discreet about the new relationship with
the detention master allowing the adventure to become more sexual
