DEXCOM CGM INTEGRATED MOBILE APPS

Get the most out of your Dexcom G6 CGM System by taking advantage of the full suite of Dexcom mobile apps.

Dexcom Follow App

With the Dexcom Follow App, up to 10 followers can view your glucose data directly from their compatible smart device, whether they are down the street or across the globe.*,†

Tap **Share** in the Dexcom G6 app to invite your loved ones to download the Follow app and view your glucose data.

Dexcom CLARITY App

Dexcom CLARITY highlights your glucose patterns, trends and goals. Download the CLARITY app to setup helpful notifications and setup sharing with your clinic.

* Internet connectivity required for data sharing. Following requires the use of the Follow App. Followers should always confirm readings on the Dexcom G6 App or Receiver before making treatment decisions.
