Each shipment includes everything you need for up to 90 days of Continuous Glucose Monitoring (CGM)†

- Three boxes of Sensors, that's 9 sensors total, each lasts up to 10 days
- One Transmitter, which lasts for up to 3 months

Supplies arrive at your door every 3 months. Shipping is fast, flexible and free.

How Much Does It Cost?

Dexcom G6 Subscription costs \$299 each month and is billed automatically to your credit card. By signing up for a year's worth of CGM supplies, you receive four free transmitters over the 12 months. That's savings of over \$1,000 off the regular price!

* Extra CGM supplies can always be purchased online through the Dexcom Store.

† Display devices sold separately. For a list of compatible devices, please visit dexcom.com/compatibility.

‡ The optional receiver (\$499) may be purchased separately through the Dexcom Store.
