Construction

LED Light Strips	Metal Hanging Hooks
Plastic Wire Connectors	

Weights - Dimensions

Shipping Weight	Varies
Shipping Dimensions	Varies

Package Includes

LED Ladder Lights	Transformer
Wiring	Power Cord
Hanging Hooks	

Applications

Mammoth	Vail-60S
VAIL-100D	VAIL-120D
VAIL-120DB	

LED Ladder Light Specs

Lumen	21-23 lm/led
CCT	10,000k - 12, 000k Cool White
Voltage	DC 12V
Rated Power (per kit size)	3.75w per strip (4' x 8' single sided) 7.2w per strip (4' x 8' double sided) 2.9w per strip (5' x 8' single sided) 5.8w per strip (5' x 8' double sided)

Transformer Ladder Light Specs

Specification	Value	Specification	Value
Family	SE-350	Height (inch)	2
Maximum Input Current (A)	7	Agency Approvals	UL
Output Connector Type	Screw Terminal Block	Color	Silver
Number of Outputs	1	Type	Switch Selectable
Product Type	AC to DC Power Supply	Style	Enclosed
Efficiency (%)	83	Primary Output Voltage (VDC)	12
Minimum Isolation Voltage	3000V	Output Current (A)	29
Operating Temperature-Min (Cel)	-20	Maximum Output Power (W)	348
Operating Temperature-Max (Cel)	60	Input Voltage (VAC)	90 to 132, 180 to 264
Length (inch)	8.5	Input Frequency	47 to 63
Width (inch)	4.5
