

MAMMOTH 10FT DISPLAY (NON-BACKLIT)

Product Features

The Mammoth Fabric Frame System is the perfect blend of class and versatility. The edges of the fabric press into the frame making graphic installation and change out simple. Available in various width and height configurations as well as double sided display. Floor, ceiling, and all mounted display is possible with the use of optional accessories.

Display Dimension	9.8"W x 7.8"H
Graphic Size	120"W x 94.75"H

Graphic Material

Deco Fabric

Graphic Finishing

Design graphic to the size and add an inch bleed around the perimeter. The graphics are printed on our Backlit Display Fabric. A rubber strip will be sewn into the edge of the graphic and makes for easy installation into the frame. The rubber strip is about 1/4" and will not be seen when placed on frames.
