

WHISTLER LIGHT BOX

Product Features

Looking for a compact backlit display? be the coolest kid on the block showing off this beauty with the flip of a switch, literally. The aluminum frame has been designed for easy assembly. Connect with a flip-lock mechanism. With the rubber beading, sewn on the edge of the fabric graphics, simply push the edges into the frame's recessed grooves to install. removable graphics allows you to keep the frame and replace new graphics as desired.

Display Dimension	31.5"W x 79"H
Graphic Size	30.75"W x 78"H

Graphic Material

UV BackLit

Graphic Finishing

The graphic will be printed on UV BackLitFabric. A rubber stripping will be added to the edge with fabric sewn over it for an easy fit on the frame. The rubber strip is about 1/4" and will not be seen when placed on frames.
