NARRATIVE

#655645

On 02/11/2010 at 1755 hours, I responded to 1501 Kinloch Court with the
Columbia Police Department Special Weapons and Tactics Team (SWAT) to serve a
narcotics search warrant. SWAT arrived at the incident location at 2027 hours
and approached the residence in the following order:

Entry Team:

1. Michael Cavener, Point

Sergeant Roger Schlude, Team Leader/Breacher

Lance Bolinger,
Michael Parsons.

rimeter Team:

Richard Horrell,
Crystal Clements
Cathy Dodd.

ter the team was positioned outside the front door of the residence Sergeant Schlude announced our presence as Columbia Police Officers and soon after entered the door. As Sergeant Schlude performed this action I heard the sound of dog barking inside the residence. As the door opened, I observed a dog that appeared to be of a breed known as a "Pit Bull" standing in the threshold of a residence. This particular breed of dog is capable of causing serious physical injury by dog bite. At this particular time the dog appeared to be a threat to officers as it barked and refused to vacate the structures threshold. I gave the dog a moment to retreat however it remained as a threat and an obstacle to the team and its entry and as a result I fired one-round from my Heckler & Koch 9mm submachine gun at the animal. At this, the animal left the doorway and the team and I made entry into the residence. Once inside, I turned right into a hallway and immediately encountered the suspect identified as Jonathan Whitworth. I observed Whitworth's arms and hands extend over his head and I interpreted this as an act of surrender. I ordered Whitworth to the ground where he was secured in handcuffs. After the residence was secured I informed Whitworth and his wife Brittany Montgomery of the Miranda Warning. Montgomery told me she understood however Whitworth refused to acknowledge me.

After I spoke with Whitworth, I entered the kitchen area and observed the deceased Pit Bull laying in a pool of blood. Animal control was contacted to remove the animal and Officer Fox cleaned to blood using a mop and bucket I located in the garage of the residence.

During a search of the residence, Officers located less than 35 grams of Marijuana and drug paraphernalia inside the residence. The drug paraphernalia included an item known as a one hitter, a marijuana grinder, and two devices used for smoking marijuana. As a result, Whitworth was arrested for violation of the following Missouri state statutes:

195.235 for possession of drug paraphernalia.
195.202 for possession of a controlled substance for possession of less than 35 grams of marijuana.

ditionally, given that Whitworth's seven-year-old son [REDACTED] was side the residence which contained controlled substances in areas easily cessible to the child, Whitworth was arrested for violation of Missouri ate Statute:

568.045 for endangering the welfare of a child.

itworth was transported to the Columbia Police Department where he was booked d processed by Officer Bolinger for these offenses. Whitworth was secured in holding cell until he was transported to the Boone County Jail.

should be noted that I contacted the Department of Family Services in ference to Whitworth's arrest for endangering the welfare of a child.

r additional information regarding the collection of evidence and the areas ere the evidence was located see Officer Jill Wieneke's supplemental report.

his report should be forwarded to the Boone County Prosecutor's Office for review.

Nothing further.

NARRATIVE

#655732

On 02/11/2010 at approximately 1900 hours, members of the Columbia Police Department Special Weapons and Tactics Team responded to the Columbia Police Department reference to serving a search warrant 1501 Kinloch Court.

We were advised the main suspect, identified as Jonathan Whitworth, was this address and we were doing a narcotics search warrant for controlled substance (schedule one). After receiving our brief, we responded to the dress.

Upon arrival, we stacked up at the door and I was second in the stack, making entry into the house. After confirming the storm door and main door to the residence was unlocked, Sergeant Schlude knocked and announced in a loud manner multiple times. The door was then pushed open by Sergeant Schlude. Upon opening the door, I observed a pitbull come to the door barking in an aggressive manner. Officer Cavaner fired his weapon at the dog and we made entry into the residence. Upon entering the residence, I proceeded north through the residence then made a left turn into the kitchen area. Upon going into the kitchen area I observed a red pitbull standing between the island and the wall near the access to the garage area. I observed the dog was standing sideways with its ears pinned back and postured in an aggressive manner looking directly at me. Believing the dog was about to attack me, I fired one round of my MP5 at the pitbull, hitting its intended target. The dog yelped and then ran towards the storm door area of the kitchen as I proceeded into the garage door area. Upon going into the garage I observed glass marijuana pipes sitting on a shelf in the garage. I further observed duffle bags in the attic access of the garage.

This report should be routed to the State Prosecutor's Office.
Nothing further.
