## ONE Club RULES: Eldorado Gaming

1. Application for membership and participation in the ONE Club indicate acceptance of these Official Rules.
2. ONE Club members must be 21 or older and not on any self-exclusion, exclusion or management-exclusion list to join the ONE Club. Membership is free.
3. Applicants are required to present a valid, unexpired, state-issued photo identification, Government issued Passport, Military ID or a Government issued Green Card to sign up for a ONE Club card, requesting a PIN change, or any information regarding their accounts. Valid state-issued photo identification is also required when redeeming reward dollars at any point of sale.
4. ONE Club membership is limited to one (1) account per person. Accounts, membership cards, and program benefits are not transferable and are not valid in conjunction with any other promotion. Only members listed on the ONE Club account may receive account information or engage in any transaction(s) relating to the ONE Club account.
5. Accounts may be linked between husbands, wives, or life partners. Only one account link is allowed at a time. Linked accounts will share their tier status, tier points and reward dollars.
6. ONE Club members will receive offers and rewards available to members only. By joining the ONE Club you give permission for Eldorado Resorts, Inc. ("ERI") and its properties, subsidiaries and affiliates (collectively referred to as, "ERI") to send mail, e-mail, and other solicitations to the addresses provided, as well as telephone solicitations if you have provided your telephone number. If your address or other information changes, please visit Guest Services at your home property to update.
7. ONE Club tier points and Reward Dollars may be accumulated and redeemed at any participating ERI property by ONE Club members. Reward Dollars are valid for 12 months from the date earned. 11. Each ONE Club member must select a Person Identification Number (PIN) for access to the member's account and a username and password for his/her online ONE Club account. Members are responsible for keeping their account information secure, including passwords, PIN numbers, and security responses. Any misuse of the ONE Club to earn or redeem Reward Dollars or Tier Points will result in forfeiture of Tier Status and Club Benefits and potential cancellation of your ONE Club account.
12. All benefits, including Tier Points and Reward Dollars, are based upon member's rated level of play. All Tier Points and Reward Dollars are subject to review and verification by ERI.
13. ONE Club Tier Point evaluations are done on a rolling 12-month basis and statuses are valid for a 12-month period. Tier level review will occur on the anniversary date of the last upgrade. Tier upgrades will occur once the next tier is achieved within any 12-month moving window.
