Dear Sir

**SF7556 – Subdivision for Porter at Portion 13 Parish of Little Forest  
Cedar Hills Road**

Council is in receipt of your letter dated 28/5/03 concerning the above and in particular physical commencement of the application.

Engineering plans for roadworks were approved for SF7556 and SF7562 on SF7556R on 26/10/98. That is, there is common road to both subdivisions.

Council's letter of 19/11/98 was drafted on SF7556, which was the subdivision of portion 13. It clearly states that physical work had occurred with the placement of a culvert and therefore SF7652 and SF7556 had been activated, that is the consents had been secured, SF7562 in the subdivision of portions 42, 50, 51, 56, 34, 23 and 12 Parish of Little Forest.

If you need any further information about this matter, contact Mr John Blom, Subdivision Manager on (02) 4429 3529. Please quote Council's reference SF7556 & 7562.

Yours faithfully
