PROPERTY: 63 Cape Hawke Drive, Forster

-
- 33.1 The purchaser warrants that the purchaser was not introduced to the Vendor or the property by a Real Estate Agent other than the Real Estate Agent, if any, disclosed on the front page of the contract. The purchaser agrees to indemnify the Vendor against any claim for commission, including the Vendor's costs of defending any such claim, which may be made by any Real Estate Agent who asserts that he introduced the Purchaser to the Vendor or that the sale was otherwise brought about by his intervention;
- 33.2 This warranty and indemnity will not merge on completion;
- 33.3 The Vendor warrants that they have not entered into an exclusive agency agreement as at the date hereto with any agent other than the agent named on the front page of the Contract.
- 34.1 In the event of the Purchasers failure to complete this Contract on or prior to the completion date referred to on the front page herein, the Vendor shall be entitled to serve on the Purchaser a Notice to Complete making time of the essence. The parties agree that fourteen (14) days shall be reasonable notice for the purpose of any Notice to Complete.
- 34.2 The Parties further agree that in the event that such notice issues by the Vendor, the Purchaser shall allow on completion to the Vendor the sum of \$330.00 (including GST), the payment of which is an essential term of this Contract.
35. The inclusions listed herein are included in the purchase and the purchase price. The purchaser acknowledges:
- (a) that unless otherwise stated, none of the said inclusions are new;
 - (b) that the Vendor has not made and does not make any representation or warranty as to the state of repair and condition of such items, and
 - (c) they accept all of the said inclusions on the date on which the Purchaser is entitled to possession of the property hereunder in the state of repair and condition that same are now in, with reasonable wear and tear between the date hereof and the date on which the Purchaser is entitled to possession of the property hereunder excepted,
- Title to such inclusions shall pass on completion of this agreement and the Vendor shall not be required to give formal delivery in respect thereof. The Vendor shall not be responsible for any mechanical breakdown in respect of any of the inclusions.

 - (b) become mentally incapacitated,
- then either party may, by notice in writing to the other parties Licensed Conveyancer or Solicitor, rescind this Contract whereupon the provisions of Clause 19 hereof shall apply.

SEWERED AREAS

As requested the Plan of House Drainage for the above property is attached. These notes are intended to provide information relating to this property. Applicants are requested to ensure that intending purchasers are made fully aware of all aspects of both these notes and the attached Plan. Please note the following important points:-

1. MidCoast Council's policy "Building over or adjacent to Watermains, Sewers or Sewerage Rising Mains" basically prohibits any new buildings to be erected closer than 1.5 meters to a Council pipe. This policy also requires special footings to be used when a building is within the 'Zone of Influence' of a sewer.

Residents, builders, developers etc. should note that the existence of a sewer, watermain or sewerage rising main can, and will, prohibit the extent of a development that will be permitted on a block. In the case of sewers, this also applies to a sewer located close to the boundary even if it is within an adjacent block. These restrictions apply to all types of building including houses, garages, sheds, carports etc.

Please contact MidCoast Council if you need any clarification on the implication of this policy. Full details are available upon request.

2. This Plan indicates the approximate location of existing buildings and pipelines. The issue of the diagram does not imply that the existing plumbing has been inspected by MidCoast Council nor that it complies with any standard or code.
3. Where there are existing buildings on the site, the issue of this Plan does not imply that they have been erected in accordance with the requirements of a Structural Engineer in relation to any 'Zone of Influence' effects.
4. The information on this Plan has been supplied by other parties and MidCoast Council will not be held responsible for the accuracy of any details shown. We do, however, endeavour to ensure that drainage diagrams are as accurate as practical when issued.
5. The attached Plan indicates the approximate location of Council's sewers only in relation to the abovementioned land.
6. It is an offence under the Local Government Act to discharge any rain water or

surface water into Council's sewers.

7. Development charges will be applied if any new development on this land has a capacity of more than 1 equivalent tenement (e.g. Development charges will apply for the erection of 2 or more villas, flats, etc. as opposed to one house).
8. In the case of non-domestic premises, both new and existing developments may require a Liquid Trade Waste approval. The issue of this Plan does not imply that any such Liquid Trade Waste approval currently exists. Further information should be obtained from MidCoast Council. It is an offence to discharge sewage, other than of a domestic nature, into a Council sewer without approval.
9. This Plan is issued in accordance with section 17, 18 and 19 of the Local Government (Water Services) Regulations 1999. These notes form part of the Plan and must remain attached it. Any Plan of House Drainage without these notes should not be considered as a true copy.

IMPORTANT NOTICE TO VENDORS AND PURCHASERS

Before signing this contract you should ensure that you understand your rights and obligations, some of which are not written in this contract but are implied by law.

WARNING—SMOKE ALARMS

The owners of certain types of buildings and strata lots must have smoke alarms (or in certain cases heat alarms) installed in the building or lot in accordance with regulations under the *Environmental Planning and Assessment Act 1979*. It is an offence not to comply. It is also an offence to remove or interfere with a smoke alarm or heat alarm. Penalties apply.

WARNING—LOOSE-FILL ASBESTOS INSULATION

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

COOLING OFF PERIOD (PURCHASER'S RIGHTS)

1. This is the statement required by section 66X of the *Conveyancing Act 1919* and applies to a contract for the sale of residential property.
2. **EXCEPT** in the circumstances listed in paragraph 3, the purchaser may rescind the contract at any time before 5 pm on—
 - (a) the tenth business day after the day on which the contract was made—in the case of an off the plan contract, or
 - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
 - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
 - (b) if the property is sold by public auction, or
 - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or
 - (d) if the contract is made in consequence of the exercise of an option to purchase the property, other than an option that is void under section 66ZG of the Act.
4. A purchaser exercising the right to cool off by rescinding the contract will forfeit to the vendor 0.25% of the purchase price of the property. The vendor is entitled to recover the amount forfeited from any amount paid by the purchaser as a deposit under the contract and the purchaser is entitled to a refund of any balance.

DISPUTES

If you get into a dispute with the other party, the Law Society and Real Estate Institute encourage you to use informal procedures such as negotiation, independent expert appraisal, the Law Society Conveyancing Dispute Resolution Scheme or mediation (for example mediation under the Law Society Mediation Program).

AUCTIONS

Regulations made under the Property, Stock and Business Agents Act 2002 prescribe a number of conditions applying to sales by auction.

WARNINGS

1. Various Acts of Parliament and other matters can affect the rights of the parties to this contract. Some important matters are actions, claims, decisions, licences, notices, orders, proposals or rights of way involving:

APA Group Australian Taxation Office Council County Council Department of Planning, Industry and Environment Department of Primary Industries Electricity and gas Land & Housing Corporation Local Land Services	NSW Department of Education NSW Fair Trading Owner of adjoining land Privacy Public Works Advisory Subsidence Advisory NSW Telecommunications Transport for NSW Water, sewerage or drainage authority
---	--

If you think that any of these matters affects the property, tell your solicitor.
2. A lease may be affected by the Agricultural Tenancies Act 1990, the Residential Tenancies Act 2010 or the Retail Leases Act 1994.
3. If any purchase money is owing to the Crown, it will become payable before obtaining consent, or if no consent is needed, when the transfer is registered.
4. If a consent to transfer is required under legislation, see clause 27 as to the obligations of the parties.
5. The vendor should continue the vendor's insurance until completion. If the vendor wants to give the purchaser possession before completion, the vendor should first ask the insurer to confirm this will not affect the insurance.
6. The purchaser will usually have to pay transfer duty (and sometimes surcharge purchaser duty) on this contract. If duty is not paid on time, a purchaser may incur penalties.
7. If the purchaser agrees to the release of deposit, the purchaser's right to recover the deposit may stand behind the rights of others (for example the vendor's mortgagee).
8. The purchaser should arrange insurance as appropriate.
9. Some transactions involving personal property may be affected by the Personal Property Securities Act 2009.
10. A purchaser should be satisfied that finance will be available at the time of completing the purchase.
11. Where the market value of the property is at or above a legislated amount, the purchaser may have to comply with a foreign resident capital gains withholding payment obligation (even if the vendor is not a foreign resident). If so, this will affect the amount available to the vendor on completion.
12. Purchasers of some residential properties may have to withhold part of the purchase price to be credited towards the GST liability of the vendor. If so, this will also affect the amount available to the vendor. More information is available from the ATO.

The vendor sells and the purchaser buys the *property* for the price under these provisions instead of Schedule 3 Conveyancing Act 1919, subject to any *legislation* that cannot be excluded.

- 3.4 The vendor must approve a replacement *deposit-bond* if –
- 3.4.1 it is from the same issuer and for the same amount as the earlier *deposit-bond*; and
- 3.4.2 it has an expiry date at least three months after its date of issue.
- 3.5 A breach of clauses 3.2 or 3.3 entitles the vendor to *terminate*. The right to *terminate* is lost as soon as –

- 6.1 *Normally*, the purchaser can (but only before completion) claim compensation for an error or misdescription in this contract (as to the *property*, the title or anything else and whether substantial or not).
- 6.2 This clause applies even if the purchaser did not take notice of or rely on anything in this contract containing or giving rise to the error or misdescription.
- 6.3 However, this clause does not apply to the extent the purchaser knows the true position.

7 Claims by purchaser

Normally, the purchaser can make a claim (including a claim under clause 6) before completion only by serving it with a statement of the amount claimed, and if the purchaser makes one or more claims before completion –

- 7.1 the vendor can *rescind* if in the case of claims that are not claims for delay –
 - 7.1.1 the total amount claimed exceeds 5% of the price;
 - 7.1.2 the vendor serves notice of intention to *rescind*; and

 - 7.2.3 the claims must be finalised by an arbitrator appointed by the parties or, if an appointment is not made *within* 1 month of completion, by an arbitrator appointed by the President of the Law Society at the request of a party (in the latter case the parties are bound by the terms of the Conveyancing Arbitration Rules approved by the Law Society as at the date of the appointment);
 - 7.2.4 the purchaser is not entitled, in respect of the claims, to more than the total amount claimed and the costs of the purchaser;
 - 7.2.5 net interest on the amount held must be paid to the parties in the same proportion as the amount held is paid; and
 - 7.2.6 if the parties do not appoint an arbitrator and neither party requests the President to appoint an arbitrator *within* 3 months after completion, the claims lapse and the amount belongs to the vendor.

8 Vendor's rights and obligations

- 8.1 The vendor can *rescind* if –
 - 8.1.1 the vendor is, on reasonable grounds, unable or unwilling to comply with a *requisition*;
 - 8.1.2 the vendor serves a notice of intention to *rescind* that specifies the *requisition* and those grounds; and
 - 8.1.3 the purchaser does not serve a notice waiving the *requisition* *within* 14 days after that service.

 13.2 *Normally*, if a *party* must pay the price or any other amount to the other *party* under this contract, GST is not to be added to the price or amount.

 13.3.1 the *party* must adjust or pay on completion any GST added to or included in the expense; but
 13.3.2 the amount of the expense must be reduced to the extent the party receiving the adjustment or payment (or the representative member of a GST group of which that party is a member) is entitled to an input tax credit for the expense; and

 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
 13.7 If this contract says the sale is not a taxable supply –
 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
 • a breach of clause 13.7.1; or
 • something else known to the purchaser but not the vendor.
 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).

Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.

- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, serve evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
