

RENTAL MARKET APPRAISAL

1/209 Melbourne Road, Rippleside, Vic 3215

Prepared on 28th October, 2021

Dear Investor,

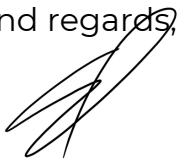

Thank you for the opportunity to provide a rental market evaluation for the above mentioned property.

In assessing this property, we have considered a range of factors including comparable listed and leased properties in the area, property size, finishes, features and the current strength of the market within the last 60 days which is primarily affected by fluctuations in supply and demand.

This evaluation has provided a clear estimate of the current rental market and in the properties' current condition, we are confident that your investment property will achieve a rental return of **\$400.00 per week**.

I look forward to further discussions, providing additional information about the market, investor insights and preparing a tailored marketing strategy to achieve the best results for your investment property.

Kind regards,
