## Special Conditions forming part of this Contract

Dated: .....

between: Virginia Louise Mewburn

and:

---

### **33. Special Conditions Shall Prevail**

To the extent permissible by law, where there is an inconsistency between these special conditions and the standard provisions of this Contract for Sale and Purchase of Land, these special conditions shall prevail to the extent of the inconsistency.

### **34. Real Estate Agents**

The purchaser was not introduced to the property or the vendor by any real estate agent or other person entitled to claim commission as a result of this sale (other than the vendor's agent, if any, specified in this Contract). The purchaser will indemnify the vendor against any claim for commission by any real estate agent or other person arising out of an introduction of the purchaser and against all claims and expenses for the defence and determination of such a claim made against the vendor. This right continues after completion.

### **35. Notice to Complete**

Despite any rule of law or equity to the contrary, the vendor and the purchaser agree that any notice to complete under this Contract will be reasonable as to time if a period of 14 days from the date of service of the notice is allowed for completion.

### **36. Delay Interest**

Provided that the vendor is ready, willing and able to give title to the purchaser, if this Contract is not completed for any reason (other than the vendor's default) on or before the date for completion then in addition to any other right which the vendor may have under this Contract or otherwise the purchaser will on completion of this Contract pay to the vendor interest on the balance of the purchase price at the rate of 10% per annum calculated on daily balances, commencing on the date for completion and continuing until completion of the Contract. This interest is a genuine pre-estimate of the liquidated damages and will be deemed to be part of the balance of purchase money due and payable on completion.

### **37. Late Completion**

In the event that completion of this Contract does not occur on the date for completion; or on each occasion that the purchaser advises a date that they are ready to complete and as a consequence of that advice the vendor is ready to complete on that date; and completion does not proceed through no fault of the vendor then the purchaser shall pay the sum of **\$300.00 plus GST** to cover legal costs and other expenses incurred as a consequence of the delay.

**38. Condition of Property**

The purchaser accepts the property in its present condition and state of repair with all faults latent and patent subject to fair wear and tear as provided in clause 10.1.4 and the purchaser cannot make a claim or requisition or rescind or terminate in this regard.

**39. No Warranty**

**39.1** The vendor makes no warranty or representation in respect of the accuracy or completeness of any information or statements contained in or referred to in any brochure, advertisement or other document made available by or on behalf of the vendor in connection with either this sale, this Contract or the subject matter of this Contract and the purchaser acknowledges and agrees that it has placed no reliance whatsoever on any brochure, advertisement or other document.

**39.2** The purchaser acknowledges that:

**39.2.1** it has made its own enquiries in relation to the property and the improvements (if any) on the property;

**39.2.2** it does not rely on any representation, letter, document or arrangement (whether oral or in writing) or other conduct as adding to or amending this Contract;

**39.2.3** it has satisfied itself as to all information relevant to the risks, contingencies and other circumstances affecting its purchase of the property; and

**39.2.4** it has satisfied itself in relation to the subject matter of the Contract.

**39.3** The purchaser warrants that it has fully satisfied itself in relation to the subject matter of this Contract. The vendor will not be responsible to the purchaser or any third party under the laws of contract, tort or otherwise for any loss, damage, cost or expense which may arise from or in connection with this Contract or any information contained by the vendor and their officers, employees, agents and consultants.

**39.4** The purchaser acknowledges and agrees that the conditions contained in this Contract constitute the entire agreement between the vendor and the purchaser.

**39.5** This special condition shall not merge on completion.

**40. Capacity**

Without in any way limiting, negating or restricting any rights or remedies which would have been available to either party at law or in equity had this clause not been included, if either party (and if more than one person comprises that first party then any one of them) prior to completion:

**40.1** Dies, become bankrupt or becomes mentally ill, then either party may rescind this Contract by written notice to the other party's solicitor and on giving notice this Contract will be at an end and the provisions of clause 19 shall apply; or

**40.2** being a company, has a summons or application for its winding up presented or has a liquidator, receiver or voluntary administrator of it appointed, or enters into any deed of company arrangement or scheme of arrangement with its creditors, then that party will be in default under this Contract.

## **41. Deposit**

**41.1** If the vendor agrees to accept the deposit in two instalments, then, notwithstanding any other provision of this Contract, the deposit will be payable as follows:-

**41.1.1** \$            on the date of this Contract; and

**41.1.2** \$            on the earlier of: completion of this Contract, and the date of the breach of a term of this contract by the purchaser which would entitle the vendor to exercise the rights conferred under Clause 9 (including forfeiture of the deposit) and, in this respect, time is of the essence.

**41.2** Upon any default by the purchaser of this Contract which entitles the vendor to exercise the rights conferred by clause 9 (including forfeiture of the deposit), the vendor will be entitled to sue the purchaser for the balance of the unpaid deposit, and recover the difference as a liquidated debt.

**41.3** The rights given to the vendor under this clause will be in addition to all other rights conferred on the vendor by clause 9.

**41.4** This clause is an essential term of this Contract.

## **42. Covid-19 Virus**

**42.1** For the benefit of both parties, should either party:

**42.1.1** contract the Covid-19 Virus;

**42.1.2** be placed in isolation in the property;

**42.1.3** be directed to self-isolate in the property; or

**42.1.4** need to care for an immediate member of their household or family in the property who is directly affected by matters 42.1.1 to 42.1.3 then the parties agree that the following provisions shall apply:

**42.2** The other party cannot issue a Notice to Complete on that party until such time that the person or persons have been medically cleared by a general practitioner or other specialist and permitted to leave the property.

**42.3** The party seeking the benefit of this clause must provide suitable documentation to provide evidence of the need for isolation immediately upon diagnosis.

**42.4** Completion shall take place the later of:

**42.4.1** The date for completion; and

**42.4.2** Within seven (7) days from the date from which the party is permitted to vacate the property.

**42.5** If the Vendor is the party seeking the benefit of this clause, he shall do all things reasonably possible to vacate the property a minimum of 24 hours prior to completion.

- 42.6** It is an essential term of this contract that if the Vendor is seeking the benefit of this clause, he shall thoroughly disinfect the property prior to completion. For the purpose of clarity, thoroughly disinfect includes, but is not limited to, vacuuming carpets, clearing air conditioning filters and using disinfectant products to clean door handles, light switches, hard surfaces, remote controls, windows, appliances and mop floors.
- 42.7** Neither party shall be liable to the other party for any loss caused by any failure to settle by the completion date due to legal or financial representatives being placed in a position where advice or provision of services is unavailable due to government closure of non-essential services. The parties will agree on a new settlement date to effect settlement as soon as practicable, time being of the essence.

**WARNING—LOOSE-FILL ASBESTOS INSULATION**

Before purchasing land that includes any residential premises (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*) built before 1985, a purchaser is strongly advised to consider the possibility that the premises may contain loose-fill asbestos insulation (within the meaning of Division 1A of Part 8 of the *Home Building Act 1989*). In particular, a purchaser should:

- (a) search the Register required to be maintained under Division 1A of Part 8 of the *Home Building Act 1989*, and
- (b) ask the relevant local council whether it holds any records showing that the residential premises contain loose-fill asbestos insulation.

For further information about loose-fill asbestos insulation (including areas in which residential premises have been identified as containing loose-fill asbestos insulation), contact NSW Fair Trading.

  - (b) the fifth business day after the day on which the contract was made—in any other case.
3. There is **NO COOLING OFF PERIOD**:
  - (a) if, at or before the time the contract is made, the purchaser gives to the vendor (or the vendor's solicitor or agent) a certificate that complies with section 66W of the Act, or
  - (b) if the property is sold by public auction, or
  - (c) if the contract is made on the same day as the property was offered for sale by public auction but passed in, or

The retention sum is to be held by the *depositholder* and dealt with as follows –
- if *within* 3 months of completion the purchaser *serves* a letter from the Australian Taxation Office stating the purchaser is registered with a date of effect of registration on or before completion, the *depositholder* is to pay the retention sum to the purchaser; but
  - if the purchaser does not *serve* that letter *within* 3 months of completion, the *depositholder* is to pay the retention sum to the vendor; and
- 13.4.4 if the vendor, despite clause 13.4.1, *serves* a letter from the Australian Taxation Office stating the vendor has to pay GST on the supply, the purchaser must pay to the vendor on demand the amount of GST assessed.
- 13.5 *Normally*, the vendor promises the margin scheme will not apply to the supply of the *property*.
- 13.6 If this contract says the margin scheme is to apply in making the taxable supply, the *parties* agree that the margin scheme is to apply to the sale of the *property*.
- 13.7 If this contract says the sale is not a taxable supply –
- 13.7.1 the purchaser promises that the *property* will not be used and represents that the purchaser does not intend the *property* (or any part of the *property*) to be used in a way that could make the sale a taxable supply to any extent; and
- 13.7.2 the purchaser must pay the vendor on completion in addition to the price an amount calculated by multiplying the price by the *GST rate* if this sale is a taxable supply to any extent because of –
- a breach of clause 13.7.1; or
  - something else known to the purchaser but not the vendor.
- 13.8 If this contract says this sale is a taxable supply in full and does not say the margin scheme applies to the *property*, the vendor must pay the purchaser on completion an amount of one-eleventh of the price if –

- 13.8.1 this sale is not a taxable supply in full; or
- 13.8.2 the margin scheme applies to the *property* (or any part of the *property*).
- 13.9 If this contract says this sale is a taxable supply to an extent –
- 13.9.1 clause 13.7.1 does not apply to any part of the *property* which is identified as being a taxable supply; and
- 13.9.2 the payments mentioned in clauses 13.7 and 13.8 are to be recalculated by multiplying the relevant payment by the proportion of the price which represents the value of that part of the *property* to which the clause applies (the proportion to be expressed as a number between 0 and 1). Any evidence of value must be obtained at the expense of the vendor.
- 13.10 *Normally*, on completion the vendor must give the recipient of the supply a tax invoice for any taxable supply by the vendor by or under this contract.
- 13.11 The vendor does not have to give the purchaser a tax invoice if the margin scheme applies to a taxable supply.
- 13.12 If the vendor is liable for GST on rents or profits due to issuing an invoice or receiving consideration before completion, any adjustment of those amounts must exclude an amount equal to the vendor's GST liability.
- 13.13 If the purchaser must make a *GSTRW payment* the purchaser must –
- 13.13.1 at least 5 days before the date for completion, *serve* evidence of submission of a *GSTRW payment* notification form to the Australian Taxation Office by the purchaser or, if a direction under clause 4.3 has been *served*, by the transferee named in the transfer *served* with that direction;
- 13.13.2 produce on completion a *settlement cheque* for the *GSTRW payment* payable to the Deputy Commissioner of Taxation;
- 13.13.3 forward the *settlement cheque* to the payee immediately after completion; and
- 13.13.4 *serve* evidence of receipt of payment of the *GSTRW payment* and a copy of the settlement date confirmation form submitted to the Australian Taxation Office.

## 14 Adjustments

- 14.1 *Normally*, the vendor is entitled to the rents and profits and will be liable for all rates, water, sewerage and drainage service and usage charges, land tax, levies and all other periodic outgoings up to and including the *adjustment date* after which the purchaser will be entitled and liable.
- 14.2 The *parties* must make any necessary adjustment on completion.
- 14.3 If an amount that is adjustable under this contract has been reduced under *legislation*, the *parties* must on completion adjust the reduced amount.
- 14.4 The *parties* must not adjust surcharge land tax (as defined in the Land Tax Act 1956) but must adjust any other land tax for the year current at the *adjustment date* –
- 14.4.1 only if land tax has been paid or is payable for the year (whether by the vendor or by a predecessor in title) and this contract says that land tax is adjustable;
- 14.4.2 by adjusting the amount that would have been payable if at the start of the year –
- the person who owned the land owned no other land;
  - the land was not subject to a special trust or owned by a non-concessional company; and
  - if the land (or part of it) had no separate taxable value, by calculating its separate taxable value on a proportional area basis.
- 14.5 If any other amount that is adjustable under this contract relates partly to the land and partly to other land, the *parties* must adjust it on a proportional area basis.
- 14.6 *Normally*, the vendor can direct the purchaser to produce a *settlement cheque* on completion to pay an amount adjustable under this contract and if so –
- 14.6.1 the amount is to be treated as if it were paid; and
- 14.6.2 the *cheque* must be forwarded to the payee immediately after completion (by the purchaser if the *cheque* relates only to the *property* or by the vendor in any other case).
- 14.7 If on completion the last bill for a water, sewerage or drainage usage charge is for a period ending before the *adjustment date*, the vendor is liable for an amount calculated by dividing the bill by the number of days in the period then multiplying by the number of unbilled days up to and including the *adjustment date*.
- 14.8 The vendor is liable for any amount recoverable for work started on or before the contract date on the *property* or any adjoining footpath or road.
