Housemark is a specialist property management company servicing landlord all-around South-East Queensland. We provide a professional, proactive and trusted service. If you ever need any further clarification, please feel free to contact me anytime.

When assessing the rental value of a property, we consider factors that assist in leasing your Property promptly. This includes a comparison of similar properties on the market, current vacancies and market trends. Obtaining a realistic rental value ensures that your property is let as quickly as possible for a better financial return on your investment.

A range of rental value is provided so that you can make a sound decision based on your personal situation. The higher figure represents a rental value which may be achieved given time and may be used to test the market. The lower figure is one which may appeal to a tenant quickly.

RENTAL APPRAISAL

We would anticipate a rental range of **\$800 - \$850 Per Week**, would be considered a reasonable market value to locate a suitable Tenant in a reasonable time frame.

Our team would be delighted to manage your investment property. If you have any questions regarding our services, please contact Casey Brittain on 0451 521 477.

Yours faithfully,
