The issuer and the form of the deposit bond must be satisfactory to the vendor. The deposit bond must have an expiry date at least 45 days after the due date for settlement.
- 15.3 The purchaser may deliver a deposit bond to the vendor's estate agent, legal practitioner or conveyancer within 7 days after the day of sale.

The amount paid by the issuer satisfies the obligations of the purchaser under general condition 15.5 to the extent of the payment.
- 15.7 Nothing in this general condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract, except as provided in general condition 15.6.
- 15.8 This general condition is subject to general condition 14.2 [deposit].

eCOSID: 126294849

16.7 Nothing in this general condition limits the rights of the vendor if the purchaser defaults under this contract or repudiates this contract except as provided in general condition 16.6.

16.8 This general condition is subject to general condition 14.2 [deposit].

## 17. SETTLEMENT

17.1 At settlement:

- (a) the purchaser must pay the balance; and
- (b) the vendor must:
  - (i) do all things necessary to enable the purchaser to become the registered proprietor of the land; and
  - (ii) give either vacant possession or receipt of rents and profits in accordance with the particulars of sale.

17.2 Settlement must be conducted between the hours of 10.00 am and 4.00 pm unless the parties agree otherwise.

17.3 The purchaser must pay all money other than the deposit in accordance with a written direction of the vendor or the vendor's legal practitioner or conveyancer.

## 18. ELECTRONIC SETTLEMENT

18.1 Settlement and lodgement of the instruments necessary to record the purchaser as registered proprietor of the land will be conducted electronically in accordance with the Electronic Conveyancing National Law. This general condition 18 has priority over any other provision of this contract to the extent of any inconsistency.

18.2 A party must immediately give written notice if that party reasonably believes that settlement and lodgement can no longer be conducted electronically. General condition 18 ceases to apply from when such a notice is given.

18.3 Each party must:

- (a) be, or engage a representative who is, a subscriber for the purposes of the Electronic Conveyancing National Law,
- (b) ensure that all other persons for whom that party is responsible and who are associated with this transaction are, or engage, a subscriber for the purposes of the Electronic Conveyancing National Law, and
- (c) conduct the transaction in accordance with the Electronic Conveyancing National Law.

18.4 The vendor must open the electronic workspace ("workspace") as soon as reasonably practicable and nominate a date and time for settlement. The inclusion of a specific date and time for settlement in a workspace is not of itself a promise to settle on that date or at that time. The workspace is an electronic address for the service of notices and for written communications for the purposes of any electronic transactions legislation.

18.5 This general condition 18.5 applies if there is more than one electronic lodgement network operator in respect of the transaction. In this general condition 18.5 "the transaction" means this sale and purchase and any associated transaction involving any of the same subscribers.

To the extent that any interoperability rules governing the relationship between electronic lodgement network operators do not provide otherwise:

- (a) the electronic lodgement network operator to conduct all the financial and lodgement aspects of the transaction after the workspace locks must be one which is willing and able to conduct such aspects of the transaction in accordance with the instructions of all the subscribers in the workspaces of all the electronic lodgement network operators after the workspace locks;
- (b) if two or more electronic lodgement network operators meet that description, one may be selected by purchaser's incoming mortgagee having the highest priority but if there is no mortgagee of the purchaser, the vendor must make the selection.

18.6 Settlement occurs when the workspace records that:

- (a) there has been an exchange of funds or value between the exchange settlement account or accounts in the Reserve Bank of Australia of the relevant financial institutions or their financial settlement agents in accordance with the instructions of the parties; or
- (b) if there is no exchange of funds or value, the documents necessary to enable the purchaser to become registered proprietor of the land have been accepted for electronic lodgement.

18.7 The parties must do everything reasonably necessary to effect settlement:

- (a) electronically on the next business day, or
- (b) at the option of either party, otherwise than electronically as soon as possible –

if, after the locking of the workspace at the nominated settlement time, settlement in accordance with general condition 18.6 has not occurred by 4.00 pm, or 6.00 pm if the nominated time for settlement is after 4.00 pm.

18.8 Each party must do everything reasonably necessary to assist the other party to trace and identify the recipient of any missing or mistaken payment and to recover the missing or mistaken payment.

18.9 The vendor must before settlement:

- (a) deliver any keys, security devices and codes ("keys") to the estate agent named in the contract,
- (b) direct the estate agent to give the keys to the purchaser or the purchaser's nominee on notification of settlement by the vendor, the vendor's subscriber or the electronic lodgement network operator;

eCOSID: 126294849

- (c) deliver all other physical documents and items (other than the goods sold by the contract) to which the purchaser is entitled at settlement, and any keys if not delivered to the estate agent, to the vendor's subscriber or, if there is no vendor's subscriber, confirm in writing to the purchaser that the vendor holds those documents, items and keys at the vendor's address set out in the contract, and

give, or direct its subscriber to give, all those documents and items and any such keys to the purchaser or the purchaser's nominee on notification by the electronic lodgement network operator of settlement.

## 19. GST

- 19.1 The purchaser does not have to pay the vendor any amount in respect of GST in addition to the price if the particulars of sale specify that the price includes GST (if any).
- 19.2 The purchaser must pay to the vendor any GST payable by the vendor in respect of a taxable supply made under this contract in addition to the price if:
  - (a) the particulars of sale specify that GST (if any) must be paid in addition to the price; or
  - (b) GST is payable solely as a result of any action taken or intended to be taken by the purchaser after the day of sale, including a change of use; or
  - (c) the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on and the supply (or part of it) does not satisfy the requirements of section 38-480 of the GST Act; or
  - (d) the particulars of sale specify that the supply made under this contract is of a going concern and the supply (or a part of it) does not satisfy the requirements of section 38-325 of the GST Act.
- 19.3 The purchaser is not obliged to pay any GST under this contract until a tax invoice has been given to the purchaser, unless the margin scheme applies.
- 19.4 If the particulars of sale specify that the supply made under this contract is of land on which a 'farming business' is carried on:
  - (a) the vendor warrants that the property is land on which a farming business has been carried on for the period of 5 years preceding the date of supply; and
  - (b) the purchaser warrants that the purchaser intends that a farming business will be carried on after settlement on the property.
- 19.5 If the particulars of sale specify that the supply made under this contract is a 'going concern':
  - (a) the parties agree that this contract is for the supply of a going concern; and
  - (b) the purchaser warrants that the purchaser is, or prior to settlement will be, registered for GST; and
  - (c) the vendor warrants that the vendor will carry on the going concern until the date of supply.
- 19.6 If the particulars of sale specify that the supply made under this contract is a 'margin scheme' supply, the parties agree that the margin scheme applies to this contract.
- 19.7 In this general condition:
  - (a) 'GST Act' means *A New Tax System (Goods and Services Tax) Act 1999* (Cth); and
  - (b) 'GST' includes penalties and interest.

## 20. LOAN

- 20.1 If the particulars of sale specify that this contract is subject to a loan being approved, this contract is subject to the lender approving the loan on the security of the property by the approval date or any later date allowed by the vendor.
- 20.2 The purchaser may end the contract if the loan is not approved by the approval date, but only if the purchaser:
  - (a) immediately applied for the loan; and
  - (b) did everything reasonably required to obtain approval of the loan; and
  - (c) serves written notice ending the contract, together with written evidence of rejection or non-approval of the loan, on the vendor within 2 clear business days after the approval date or any later date allowed by the vendor; and
  - (d) is not in default under any other condition of this contract when the notice is given.
- 20.3 All money must be immediately refunded to the purchaser if the contract is ended.

## 21. BUILDING REPORT

- 21.1 This general condition only applies if the applicable box in the particulars of sale is checked.
- 21.2 The purchaser may end this contract within 14 days from the day of sale if the purchaser:
  - (a) obtains a written report from a registered building practitioner or architect which discloses a current defect in a structure on the land and designates it as a major building defect;
  - (b) gives the vendor a copy of the report and a written notice ending this contract; and
  - (c) is not then in default.
- 21.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.

eCOSID: 126294849

- 21.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.
- 21.5 The registered building practitioner may inspect the property at any reasonable time for the purpose of preparing the report.

**22. PEST REPORT**

- 22.1 This general condition only applies if the applicable box in the particulars of sale is checked.
- 22.2 The purchaser may end this contract within 14 days from the day of sale if the purchaser:
  - (a) obtains a written report from a pest control operator licensed under Victorian law which discloses a current pest infestation on the land and designates it as a major infestation affecting the structure of a building on the land;
  - (b) gives the vendor a copy of the report and a written notice ending this contract; and
  - (c) is not then in default.
- 22.3 All money paid must be immediately refunded to the purchaser if the contract ends in accordance with this general condition.
- 22.4 A notice under this general condition may be served on the vendor's legal practitioner, conveyancer or estate agent even if the estate agent's authority has formally expired at the time of service.
- 22.5 The pest control operator may inspect the property at any reasonable time for the purpose of preparing the report.

**23. ADJUSTMENTS**

- 23.1 All periodic outgoings payable by the vendor, and any rent and other income received in respect of the property must be apportioned between the parties on the settlement date and any adjustments paid and received as appropriate.
- 23.2 The periodic outgoings and rent and other income must be apportioned on the following basis:
  - (a) the vendor is liable for the periodic outgoings and entitled to the rent and other income up to and including the day of settlement; and
  - (b) the land is treated as the only land of which the vendor is owner (as defined in the *Land Tax Act 2005*); and
  - (c) the vendor is taken to own the land as a resident Australian beneficial owner; and

The specified period in the clearance certificate must include the actual date of settlement.
- 24.3 The remaining provisions of this general condition 24 only apply if the purchaser is required to pay the Commissioner an amount in accordance with section 14-200(3) or section 14-235 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) ("the amount") because one or more of the vendors is a foreign resident, the property has or will have a market value not less than the amount set out in section 14-215 of the legislation just after the transaction, and the transaction is not excluded under section 14-215(1) of the legislation.
- 24.4 The amount is to be deducted from the vendor's entitlement to the contract consideration. The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.
- 24.5 The purchaser must:
  - (a) engage a legal practitioner or conveyancer ("representative") to conduct all the legal aspects of settlement, including the performance of the purchaser's obligations under the legislation and this general condition; and
  - (b) ensure that the representative does so.
- 24.6 The terms of the representative's engagement are taken to include instructions to have regard to the vendor's interests and instructions that the representative must:
  - (a) pay, or ensure payment of, the amount to the Commissioner in the manner required by the Commissioner and as soon as reasonably and practicably possible, from moneys under the control or direction of the representative in accordance with this general condition if the sale of the property settles;
  - (b) promptly provide the vendor with proof of payment; and
  - (c) otherwise comply, or ensure compliance, with this general condition;
 despite:
  - (d) any contrary instructions, other than from both the purchaser and the vendor; and
  - (e) any other provision in this contract to the contrary.
- 24.7 The representative is taken to have complied with the requirements of general condition 24.6 if:

eCOSID: 126294849

- (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.

- 24.8 Any clearance certificate or document evidencing variation of the amount in accordance with section 14-235(2) of Schedule 1 to the *Taxation Administration Act 1953* (Cth) must be given to the purchaser at least 5 business days before the due date for settlement.
- 24.9 The vendor must provide the purchaser with such information as the purchaser requires to comply with the purchaser's obligation to pay the amount in accordance with section 14-200 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The information must be provided within 5 business days of request by the purchaser. The vendor warrants that the information the vendor provides is true and correct.

- 25.3 The vendor must at least 14 days before the due date for settlement provide the purchaser and any person nominated by the purchaser under general condition 4 with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth), and must provide all information required by the purchaser or any person so nominated to confirm the accuracy of the notice.
- 25.4 The remaining provisions of this general condition 25 apply if the purchaser is or may be required to pay the Commissioner an \*amount in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) because the property is \*new residential premises or \*potential residential land in either case falling within the parameters of that section, and also if the sale attracts the operation of section 14-255 of the legislation. Nothing in this general condition 25 is to be taken as relieving the vendor from compliance with section 14-255.
- 25.5 The amount is to be deducted from the vendor's entitlement to the contract \*consideration and is then taken to be paid to the vendor, whether or not the vendor provides the purchaser with a GST withholding notice in accordance with section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The vendor must pay to the purchaser at settlement such part of the amount as is represented by non-monetary consideration.

  - (c) otherwise comply, or ensure compliance, with this general condition;
 despite:
  - (d) any contrary instructions, other than from both the purchaser and the vendor; and
  - (e) any other provision in this contract to the contrary.
- 25.8 The representative is taken to have complied with the requirements of general condition 25.7 if:
  - (a) settlement is conducted through an electronic lodgement network; and
  - (b) the amount is included in the settlement statement requiring payment to the Commissioner in respect of this transaction.
- 25.9 The purchaser may at settlement give the vendor a bank cheque for the amount in accordance with section 16-30 (3) of Schedule 1 to the *Taxation Administration Act 1953* (Cth), but only if:
  - (a) so agreed by the vendor in writing; and
  - (b) the settlement is not conducted through an electronic lodgement network.
 However, if the purchaser gives the bank cheque in accordance with this general condition 25.9, the vendor must:
  - (c) immediately after settlement provide the bank cheque to the Commissioner to pay the amount in relation to the supply; and

eCOSID: 126294849

- (d) give the purchaser a receipt for the bank cheque which identifies the transaction and includes particulars of the bank cheque, at the same time the purchaser gives the vendor the bank cheque.
- 25.10 A party must provide the other party with such information as the other party requires to:

  - (b) comply with the purchaser's obligation to pay the amount,
- in accordance with section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth). The information must be provided within 5 business days of a written request. The party providing the information warrants that it is true and correct.
- 25.11 The vendor warrants that:
- (a) at settlement, the property is not new residential premises or potential residential land in either case falling within the parameters of section 14-250 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) if the vendor gives the purchaser a written notice under section 14-255 to the effect that the purchaser will not be required to make a payment under section 14-250 in respect of the supply, or fails to give a written notice as required by and within the time specified in section 14-255; and
  - (b) the amount described in a written notice given by the vendor to the purchaser under section 14-255 of Schedule 1 to the *Taxation Administration Act 1953* (Cth) is the correct amount required to be paid under section 14-250 of the legislation.
- 25.12 The purchaser is responsible for any penalties or interest payable to the Commissioner on account of non-payment or late payment of the amount, except to the extent that:
- (a) the penalties or interest arise from any failure on the part of the vendor, including breach of a warranty in general condition 25.11; or
  - (b) the purchaser has a reasonable belief that the property is neither new residential premises nor potential residential land requiring the purchaser to pay an amount to the Commissioner in accordance with section 14-250 (1) of Schedule 1 to the *Taxation Administration Act 1953* (Cth).

### 33. INTEREST

Interest at a rate of 2% per annum plus the rate for the time being fixed by section 2 of the *Penalty Interest Rates Act 1983* is payable at settlement on any money owing under the contract during the period of default, without affecting any other rights of the offended party.

### 34. DEFAULT NOTICE

34.1 A party is not entitled to exercise any rights arising from the other party's default, other than the right to receive interest and the right to sue for money owing, until the other party is given and fails to comply with a written default notice.

34.2 The default notice must:

- (a) specify the particulars of the default; and
- (b) state that it is the offended party's intention to exercise the rights arising from the default unless, within 14 days of the notice being given -
  - (i) the default is remedied; and
  - (ii) the reasonable costs incurred as a result of the default and any interest payable are paid.

### 35. DEFAULT NOT REMEDIED

35.1 All unpaid money under the contract becomes immediately payable to the vendor if the default has been made by the purchaser and is not remedied and the costs and interest are not paid.

35.2 The contract immediately ends if:

- (a) the default notice also states that unless the default is remedied and the reasonable costs and interest are paid, the contract will be ended in accordance with this general condition; and
- (b) the default is not remedied and the reasonable costs and interest are not paid by the end of the period of the default notice.

35.3 If the contract ends by a default notice given by the purchaser:

- (a) the purchaser must be repaid any money paid under the contract and be paid any interest and reasonable costs payable under the contract; and
- (b) all those amounts are a charge on the land until payment; and
- (c) the purchaser may also recover any loss otherwise recoverable.

35.4 If the contract ends by a default notice given by the vendor:

- (a) the deposit up to 10% of the price is forfeited to the vendor as the vendor's absolute property, whether the deposit has been paid or not; and
- (b) the vendor is entitled to possession of the property; and
- (c) in addition to any other remedy, the vendor may within one year of the contract ending either:
  - (i) retain the property and sue for damages for breach of contract; or
  - (ii) resell the property in any manner and recover any deficiency in the price on the resale and any resulting expenses by way of liquidated damages; and
- (d) the vendor may retain any part of the price paid until the vendor's damages have been determined and may apply that money towards those damages; and
- (e) any determination of the vendor's damages must take into account the amount forfeited to the vendor.

35.5 The ending of the contract does not affect the rights of the offended party as a consequence of the default.

# Due diligence checklist

## What you need to know before buying a residential property

Before you buy a home, you should be aware of a range of issues that may affect that property and impose restrictions or obligations on you, if you buy it. This checklist aims to help you identify whether any of these issues will affect you. The questions are a starting point only and you may need to seek professional advice to answer some of them. You can find links to organisations and web pages that can help you learn more, by visiting the [Due diligence checklist page on the Consumer Affairs Victoria website](http://consumer.vic.gov.au/duediligencechecklist) (consumer.vic.gov.au/duediligencechecklist).

## Urban living

### Moving to the inner city?

High density areas are attractive for their entertainment and service areas, but these activities create increased traffic as well as noise and odours from businesses and people. Familiarising yourself with the character of the area will give you a balanced understanding of what to expect.

### Is the property subject to an owners corporation?

If the property is part of a subdivision with common property such as driveways or grounds, it may be subject to an owners corporation. You may be required to pay fees and follow rules that restrict what you can do on your property, such as a ban on pet ownership.

## Growth areas

### Are you moving to a growth area?

You should investigate whether you will be required to pay a growth areas infrastructure contribution.

## Flood and fire risk

### Does this property experience flooding or bushfire?

Properties are sometimes subject to the risk of fire and flooding due to their location. You should properly investigate these risks and consider their implications for land management, buildings and insurance premiums.

## Rural properties

### Moving to the country?

If you are looking at property in a rural zone, consider:

- Is the surrounding land use compatible with your lifestyle expectations? Farming can create noise or odour that may be at odds with your expectations of a rural lifestyle.
- Are you considering removing native vegetation? There are regulations which affect your ability to remove native vegetation on private property.
- Do you understand your obligations to manage weeds and pest animals?

### Can you build new dwellings?

Does the property adjoin crown land, have a water frontage, contain a disused government road, or are there any crown licences associated with the land?

### Is there any earth resource activity such as mining in the area?

You may wish to find out more about exploration, mining and quarrying activity on or near the property and consider the issue of petroleum, geothermal and greenhouse gas sequestration permits, leases and licences, extractive industry authorisations and mineral licences.

## Soil and groundwater contamination

### Has previous land use affected the soil or groundwater?

You should consider whether past activities, including the use of adjacent land, may have caused contamination at the site and whether this may prevent you from doing certain things to or on the land in the future.

(04/10/2016)

## **Land boundaries**

### **Do you know the exact boundary of the property?**

You should compare the measurements shown on the title document with actual fences and buildings on the property, to make sure the boundaries match. If you have concerns about this, you can speak to your lawyer or conveyancer, or commission a site survey to establish property boundaries.

## **Planning controls**

### **Can you change how the property is used, or the buildings on it?**

All land is subject to a planning scheme, run by the local council. How the property is zoned and any overlays that may apply, will determine how the land can be used. This may restrict such things as whether you can build on vacant land or how you can alter or develop the land and its buildings over time.

The local council can give you advice about the planning scheme, as well as details of any other restrictions that may apply, such as design guidelines or bushfire safety design. There may also be restrictions – known as encumbrances – on the property's title, which prevent you from developing the property. You can find out about encumbrances by looking at the section 32 statement.

### **Are there any proposed or granted planning permits?**

The local council can advise you if there are any proposed or issued planning permits for any properties close by. Significant developments in your area may change the local 'character' (predominant style of the area) and may increase noise or traffic near the property.

## **Safety**

### **Is the building safe to live in?**

Building laws are in place to ensure building safety. Professional building inspections can help you assess the property for electrical safety, possible illegal building work, adequate pool or spa fencing and the presence of asbestos, termites, or other potential hazards.

## **Building permits**

### **Have any buildings or retaining walls on the property been altered, or do you plan to alter them?**

There are laws and regulations about how buildings and retaining walls are constructed, which you may wish to investigate to ensure any completed or proposed building work is approved. The local council may be able to give you information about any building permits issued for recent building works done to the property, and what you must do to plan new work. You can also commission a private building surveyor's assessment.

### **Are any recent building or renovation works covered by insurance?**

Ask the vendor if there is any owner-builder insurance or builder's warranty to cover defects in the work done to the property.

## **Utilities and essential services**

### **Does the property have working connections for water, sewerage, electricity, gas, telephone and internet?**

Unconnected services may not be available, or may incur a fee to connect. You may also need to choose from a range of suppliers for these services. This may be particularly important in rural areas where some services are not available.

## **Buyers' rights**

### **Do you know your rights when buying a property?**

The contract of sale and section 32 statement contain important information about the property, so you should request to see these and read them thoroughly. Many people engage a lawyer or conveyancer to help them understand the contracts and ensure the sale goes through correctly. If you intend to hire a professional, you should consider speaking to them before you commit to the sale. There are also important rules about the way private sales and auctions are conducted. These may include a cooling-off period and specific rights associated with 'off the plan' sales. The important thing to remember is that, as the buyer, you have rights.

From 1 July, we are reducing prices in real terms so our customers do not experience the full impact of CPI.

While CPI is 7%, our prices will increase by 6%. This means an owner-occupier using on average 160kL per year will see an increase of \$5.42 per month.

Renters using the same amount will see an increase of \$1.80 per month. The adjustments are in line with our 2023-2028 Price Submission, approved by the Essential Services Commission, which outlines prices for water and sewerage, service standards and investments in infrastructure and operations.

Following extensive community engagement, our Price Submission – our 5-year promise to customers – reflects what our customers value most: protecting the environment, supporting customers when they need it and providing reliable and affordable services.

If you have a Centrelink Pension or Health Care Card, or Department of Veterans Affairs Gold Card, you may be eligible for a discount. Contact us for details.

**This property is not in a designated bushfire prone area.**

**No special bushfire construction requirements apply. Planning provisions may apply.**

Where part of the property is mapped as BPA, if no part of the building envelope or footprint falls within the BPA area, the BPA construction requirements do not apply.

Designated BPA maps can be viewed on VicPlan at <https://mapshare.vic.gov.au/vicplan/> or at the relevant local council.

Create a BPA definition plan in [VicPlan](#) to measure the BPA.

Information for lot owners building in the BPA is available at <https://www.planning.vic.gov.au>.

Further information about the building control system and building in bushfire prone areas can be found on the Victorian Building Authority website <https://www.vba.vic.gov.au>. Copies of the Building Act and Building Regulations are available from <http://www.legislation.vic.gov.au>. For Planning Scheme Provisions in bushfire areas visit <https://www.planning.vic.gov.au>.
