Job #5/36Fifth Avenue, Kedron.		0.00

Price is for the following the the ceiling in the kitchen area which has fallen away. This is an area of 3mx2m that requires attention along with the broken cornice.	10%	3,180.00
---	-----	----------

- Remove 3mx2m of falling ceiling and cornice
- add supports to the trusses where required
- install new gyprock to the area required
- plaster x2 with base coat and x2 with top coat
- sand where required
- install upto 6m of new cornice. This cornice will be moulded by hand to suit the existing cornice which the size is no longer purchased.
- cornice cement to all corners and joints on cornice
- sand where required
- prime the ceiling area using 1,2,3 step primer Dulux
- paint the entire kitchen ceiling in Dulux ceiling white.
- clean

Note that whilst this job is happening we require all items in the kitchen to be put away and we would use plastic sheet to block off the doorway into the kitchen area to stop the plaster dust from traveling throughout the apartment. We will clean as best as possible but some dust may still be found in areas.

Before your job will start, we will require a 40% deposit and then the remainder of the balance to be paid when work is completed or as per invoice.		0.00
