No Compliance Schedule records are available for this property.

## Building Permits

The NZ Building Act came in to force on 1 July 1992. From that date, the issue of building permits ceased and they were replaced with building consents. Under the old permit system there was no requirement for Council to keep or provide records of building work. While Council generally holds records of permits issued, often little or no information is available regarding results of building inspections. Should an evaluation of the building be required, an independent qualified person should be consulted.

Date	Permit Number	Notes
01/12/1987	F019049	Erect bedroom in carport & extend carport
14/09/1984	B109168	Install Kent unit in open fireplace
14/12/1976	H064949	Erect Double Garage
29/09/1972	E060258	Erect carport

## Building Notes

No additional building notes have been found for this property.

## Swimming Pools

This property is noted as having a Swimming Pool. The Building Act 2004 requires mandatory inspections of Swimming pools every three years, which includes any part of the building and any gates or doors that form part of the barrier. 3 yearly inspections are required to confirm continued compliance. A purchaser should be aware that there is a requirement for the pool to comply and the responsibility for this transfers to them with the sale of the property.

This property does not sit within a controlled Air Shed.

### Hazardous Activities and Industries List (HAIL)

No verified HAIL site has been found for this property. However, if the site or any adjacent site has been used for industrial, horticultural or agricultural purposes, we suggest you make further enquiries.

### Potential Lead Paint Contamination of Dwellings, Buildings & Land

Any specific information in relation to contamination will be contained in the HAIL part of the Property summary, otherwise the Council has no specific information in relation to this property.

Lead is a highly toxic substance that was a key ingredient in household paint. Any building or dwelling built before or during the 1960's is likely to have used lead-based paint at some time. Soil surrounding these buildings has potential to be contaminated by heavy metals contained in the paint. Landowners are responsible for ensuring the safe management of lead paint removal for protecting human health and the environment.

### Wetlands

Council holds no records of a wetland being on this property. However please note that the Resource Management (National Environmental Standards for Freshwater) Regulations 2020 creates conditions relating to works carried out around natural inland wetlands regardless of whether they have been mapped by Council or not.

### Pest Inspection History

The Tasman-Nelson region has a Regional Pest Management Strategy for the control of declared pest plants, animals and organisms. The responsibility for the control of pests lies with the land occupier or owner. No pests have been recorded on this property.

### Biodiversity Reports

Council has been compiling biodiversity reports (also called Native Habitat Tasman reports or Ecological Assessment reports) for individual property owners. This survey of natural areas on private land aims to support proactive land management while also help Council meet its RMA responsibilities. However, no report has been lodged on this property.

Rules in the Tasman Resource Management Plan relating to clearance of indigenous vegetation and forests apply. These include 17.5.5, 17.6.5, 17.7.5, 17.8.5, 18.2.4, 18.5.2, 18.5.3, 28.2.2, and 31.1.6. These are available on the Council website. For further information, please contact Council's Biodiversity team at [biodiversity@tasman.govt.nz](mailto:biodiversity@tasman.govt.nz).
