SH 6 LIMITED ACCESS ROAD
WAKEFIELD TO BELGROVE

This section of state highway 6 was declared to be a limited access road by gazette notice number 169236 and plans plus schedules numbered LA 54/47/9.

One property which has been affected by this declaration is part section VII Waimea South District CT 71/122. The inclusion of CT 71/122 in the declaration is however a mistake.

We originally considered its inclusion because of its proximity to the state highway but because of its position on the corner with eighty-eight Valley Road we wished to at least partially exclude it. The plan illustrates this exclusion adequately but the schedule unfortunately does not.

Hindsight shows that we should have excluded any reference to CT 71/122 from the schedule.

Therefore if it meets with your approval I ask that the limited access road restriction on CT 71/122 be deleted. To this end and as a replacement for the original I have enclosed a copy of an amended page one of the schedule which excludes any mention of CT 71/122.

I hope that this amendment will not cause too much inconvenience.

GAZETTE NOTICE 169236.1 - LIMITED ACCESS
ROAD - YOUR REFERENCE 72/6/11/2/1/4

I refer to your memorandum of 28 June 1977 and advise that I have no statutory authority to carry out the amendment you propose.

The Gazette Notice declaring the state highway to be limited access road should be revoked, as to its effect against the land in Certificate of Title 71/122, as provided by Section 4(5)(c) of the Public Works Amendment Act 1963.

I trust this answers your enquiry.
