### Ways to Save/Changes to insurance

Your premium is based on the possibility of a claim against your policy and may change if the general cost to protect our customers changes. For information on how your insurance premium is calculated, please visit [ami.co.nz/premiums](https://ami.co.nz/premiums). There are many ways you can save on your insurance while ensuring you stay insured and protected. Each customer's situation is unique, so we offer a range of tools to support customers who are having difficulty paying their premiums. Call us on 0800 100 200.

### Right to cancel

You can cancel your policy at any time by letting us know. Cancellation will take effect once you tell us, or from another date we both agree on. You also have a 15-day cooling-off period for your new, renewed, or amended policy. If you change your mind about your policy or the amendment to your policy, we will refund the applicable premium you have paid if you let us know within 15 days and you have not made a claim under the cover you have changed your mind about.

### Making a complaint

We understand that things don't always go to plan and at times you may feel we have let you down. If this happens, we want you to tell us. We'll do our best to put things right as soon as possible or explain something we could have made clearer. To make a complaint to AMI visit [ami.co.nz/complaints](https://ami.co.nz/complaints).

### Cordell Calculator

The Cordell Sum Sure calculator provides an estimated figure of your rental home sum insured – the maximum amount it would cost to rebuild your rental home based on construction costs, allowances for professional fees, demolition, removal of debris, special features and GST considerations. Your sum insured can impact your basis of settlement – the most we pay for loss or damage to your rental home.

By choosing a sum insured that is equal to or greater than the Cordell Sum Sure Estimate, you can qualify for 'Replacement' basis of settlement. This means if your rental home is damaged by fire or explosion, we'll pay for the costs to repair or rebuild up to the entire floor area – even if it ends up costing more than your rental home sum insured. Limits still apply to certain items. For more information about your cover and basis of settlement, read the policy wording.

The calculator is provided by Cordell, a CoreLogic business. Your use of the Cordell Sum Sure calculator is authorised on the condition that CoreLogic, AMI and IAG New Zealand Limited (and their related companies) do not warrant the accuracy, currency or completeness of the estimated reconstruction cost and do not have any liability of any kind for any loss or damage howsoever arising (including through negligence) in connection with your use of the Cordell Sum Sure calculator. We may use the Cordell Sum Sure calculator to provide us with data about your property, for example the slope of land, roof and wall construction, and number of storeys in the rental home. It is your responsibility to tell us if you think the information is incorrect.
