KAURI

Welcome to 14 Mangakino Lane ...

Step into the bright and sunny lounge that flows seamlessly into the designer kitchen and dining area. The living area also opens onto a paved courtyard, providing an extension of your living space. With expansive, uninterrupted views over the surrounding countryside, it is the perfect stage for alfresco dining, morning coffees, or simply unwinding with a glass of wine.

Four bedrooms are cleverly situated along the back of the home, each enjoying a sunny aspect and a lovely outlook across the land. The master bedroom is your private sanctuary, complete with its own well-appointed ensuite.

Practicality is woven throughout with the large, internal access, double garage housing the laundry and offers internal access as well as a door to the back of the property. Thoughtful paving around the home’s perimeter adds a touch of style and adds to the low-maintenance aspect.

The large, contoured section provides expansive space for the family to play and trees to swing a hammock from. Completed in 2023 this brick and timber Golden Home provides that low maintenance, fresh environment you’ve been looking for.

Enjoy the feeling of being away from it all, while knowing the amenities of the Tikipunga and Kamo Villages as well as the Whangārei City Centre are all only a short drive away.
