Based on current market and comparable properties used by Trade Me, www.realestate.co.nz and REINZ to compare this property, I would consider the current market value to be appraised between:

#### Your Homely Journey

What your journey may involve from a marketing perspective.

- I would advertise the property for rent at \$720 per week
- I would conduct private viewings and conduct these as soon as people enquire. This includes weekends and after hours.
- If there is little engagement then I would look to lower the rent to \$690 per week
- Once a suitable tenant has viewed the property and applied then I would vet their application which includes:
   Conducting background and credit checks per applicant. Calling current and previous landlords to obtain
   information on what they are like as tenants. Call employers and other referees to obtain a reference for these
   tenants.
- I will collate all information and email this to you for you to review and make a decision on whether you are happy with these tenants. You have the final decision on the tenant selection. No tenant will be offered the property without your approval.
