The kitchen caters beautifully to modern living, featuring a walk-in pantry, double fridge cavity with plumbing, and a sleek bench with a double sink overlooking the expansive backyard and sweeping rural outlook. A large stacker door opens to a sheltered patio, extending your living space outdoors, flanked by twin decks with built-in feature lighting, one designed for a spa, the other ideal for entertaining or relaxing in the sun while the children play. The master suite provides a peaceful retreat with a walk-through wardrobe and tiled ensuite.
