DOUBLE THE CHARM IN MERIVALE

 3  1  2  140 m²

Refined, stylish, and entirely elevated, this three-bedroom townhouse epitomizes modern Merivale living. Following a meticulous, full-scale renovation, every inch of its three-level design reflects an as-new finish and a strong design-led vision. Privately positioned in an exclusive, gated, block of four, the ground floor delivers exceptional practicality with a drive-through internal-access garage that opens to a private courtyard, complemented by a discreetly concealed laundry.

Upstairs, the living level offers effortless flow through open-plan lounge and dining spaces, complemented by a sleek, streamlined kitchen. A north-facing balcony extends the living area outdoors, capturing light and warmth throughout the day. The top floor is dedicated to rest and relaxation, offering three bedrooms and a polished bathroom that maintains the home's contemporary aesthetic to its very end.

Located in the heart of Merivale, this address offers effortless access to Hagley Park, Merivale Mall, and leading private schools, while zoning for Elmwood, Heaton, CBHS, and CGHS adds further appeal. Offered to the market with immediate possession available, and the option to purchase alongside the neighbouring home, this is a rare opportunity for investors and those looking for multi-generational living to secure the two properties.

New RV issued on November 5th - \$860,000

HOLLY SIDDONS & TIAAN KILIAN

Holly brings over four years of real estate experience in the Selwyn property market, where she has successfully sold more than \$50 million worth of property. From two-bedroom units to large lifestyle blocks, her strategic mindset, strong communication skills, and deep understanding of the local area make her a trusted advisor for both buyers and sellers.

With a strong background in marketing and sales, Holly knows the value of building relationships, putting the client's needs first, ensuring customer satisfaction and most importantly working with integrity.

Tiaan's journey into real estate began from the ground up. Whilst working as an industrial electrician for 12 years, he developed a passion for property through his own hands-on projects such as, an award winning renovation, the completion of a townhouse development and multiple spec builds, further fuelling his drive for all things property. Now, Tiaan brings the same energy, discipline, and passion he has put into his own projects to his clients. Offering a practical, knowledgeable, and straight-talking approach to buying and selling real estate.
