Dear Sir/Madam

BUILDING CONSENT BLD2096/22 AT 22 JOHNSON STREET TUAKAU - EXTENSION OF TIME

Thank you for requesting an extension of time in order to extend your project for the above Building Consent. You have asked for an additional 12 months to extend the project.

Your extension of time request has been approved for the following reasons:

- *Changes within the Building Act and Building Code have no effect to the approved consent*

Therefore, council feels it is not unreasonable to have extend your timeframe to 24th July 2026. Please ensure that the required inspections are arranged. Contact Customer Delivery on (0800) 492 452 to book inspections.

Please find attached an invoice for the fee that is applicable for this application. No further inspections can be booked until this has been paid.

If you have any questions, please contact me on 0800 492 452.

Yours faithfully

Wayne Lomax
