Description:

Perched on Maunu Mountain's foothills, this striking home offers panoramic rural and city views across 3.567ha of grazing and bush. Built in the early 2000s with solid construction, it features three bedrooms, open-plan living, wrap-around decks, and a self-contained upper wing for guests or extended family. The property also includes a shed, stockyards, six paddocks, and covenanted bush, with consented plans for three additional lots. Close to town and top schools, it combines lifestyle freedom with stunning outlooks.

Some work may be required to meet the Healthy Home Standards for Residential Rental Properties.

The most up-to date data and market statistics have been used to compare your property with similar, recently rented properties in the area.

Based on these facts and figures and our knowledge of the local market, the weekly rental indication for your property is the price range below.

This is an indication of what you can expect for your property in the current market. The number of comparable properties used for this analysis can vary and influence the accuracy of the price range indicated below.
