Thank you for the opportunity for Birds Nest to conduct a rental assessment for your property.

After carefully examining the key features, photographs, listing details, and relevant market data, we're excited to share our findings.

Based on our assessment, we estimate that the fair market rent for your unfurnished property would be between **\$650 - \$670** per week.

Our evaluation considers your property in relation to currently advertised listings, recently rented properties, current rental statistics, and market feedback.
