So, you've found a home you love—what happens now? Here's a simple guide to help you secure the property while completing your checks:

## 1 SUBMIT AN OFFER WITH CONDITIONS

To ensure the property is reserved for you while you do your due diligence, you'll need to submit a conditional offer. This means your offer is subject to certain checks being completed to your satisfaction before proceeding. Common conditions include:

- Finance Approval – Confirming your lending with the bank
- Building Inspection – Checking the home's structure and condition
- LIM Report Review – Ensuring there are no council issues
- Solicitor's Approval – Having your lawyer review the contract and title

No money is paid at this stage—the deposit is only required once your conditions are met and the contract becomes unconditional.

## 2 COMPLETE YOUR DUE DILIGENCE

Once your offer is accepted, you will have an agreed timeframe (e.g., 10-15 working days) to complete your checks. During this time, you should:

- Arrange a building inspection
- Review the LIM report and title
- Finalise finance with your bank
- Seek legal advice and review any concerns

## 3 CONFIRM YOUR CONDITIONS

If everything checks out, you confirm your conditions, and your offer becomes unconditional—meaning the purchase is locked in. If there are any major issues, we can discuss your options, including negotiating further or withdrawing if necessary.

## 4 PAY THE DEPOSIT & PREPARE FOR SETTLEMENT

Once your offer is unconditional, the agreed deposit is paid, and your solicitor will guide you through the final legal steps. The home is now officially yours, and we'll assist you in preparing for settlement and key handover!
