Set in a well-established pocket of Halswell, this spacious four-bedroom family home has been thoughtfully updated, offering comfort, warmth, and easy everyday living. The home offers generous open living, with a galley-style kitchen, complete with a five-burner gas hob that connects seamlessly to the dining and main living area. A log burner adds warmth and atmosphere, while the adjoining conservatory provides a light-filled extension of the living space, ideal for family time or entertaining. Fresh interior paint gives the home a clean, refreshed feel throughout.

The bedrooms and bathrooms are well spread across two levels, offering flexibility for families. Downstairs features two good-sized bedrooms with double glazing, serviced by a bathroom and a separate toilet. Upstairs, two further sunny bedrooms enjoy elevated outlooks and are complemented by a newly renovated family bathroom, adding a modern touch and extra convenience.

Outside, a private deck and backyard create a great space to relax or entertain, with room for kids and pets to enjoy. A double garage with workshop space at the rear, along with additional off-street parking, rounds out the practical features.
