A bright, modern layout sets the tone, offering flexibility, comfort and space in all the right places. At its heart is the open-plan kitchen, dining and living area, complemented by a second separate lounge, providing flexibility for families, entertaining, or quiet downtime.

The kitchen is well-positioned to overlook the main living space and features a walk-in pantry. Large stacker sliding doors open out to a sunny patio, creating easy indoor-outdoor flow, while a heat pump ensures year-round comfort. Three well-proportioned bedrooms are thoughtfully laid out, including the master bedroom, which features an ensuite, a walk-through wardrobe, and a sliding door leading out to the patio. Of the two remaining double bedrooms, one has a built-in wardrobe while the other features a walk-in wardrobe. The family bathroom includes a bath, a shower and a separate toilet, while the carpeted double-internal-access garage with laundry completes the home. Set on a fully fenced 677m² section, the property offers a generous backyard with room to relax, play or further enhance. Completed front landscaping provides instant street appeal, while the sizeable backyard presents an opportunity to add value over time.
