Set quietly at the end of a cul-de-sac, this beautifully finished Bell Development's home delivers the kind of easy, confident living that appeals to families, professionals, downsizers, and investors alike. Completed in 2024 and offering 198sqm on a 550sqm section, the home has been cleverly positioned and designed to feel far more spacious than the numbers suggest – light-filled, open, and instantly welcoming.

A generous entrance leads you into the heart of the home, where the open-plan kitchen, dining, and living area brings everyone together. The kitchen is both stylish and practical, featuring engineered stone benchtops, a walk-in pantry, and a 90cm gas cooktop, all overlooking the living space with its striking feature ceiling.

Indoor-outdoor flow is seamless, opening to expansive decking and a relaxed, sun-soaked entertainment area – perfect for family gatherings, summer evenings with friends, or simply enjoying the calm of your surroundings. In-ceiling speakers and outdoor security cameras add thoughtful, modern touches that elevate everyday living.

The master suite offers a peaceful retreat, complete with a fully tiled ensuite and double shower, while two further spacious bedrooms are serviced by a beautifully finished family bathroom. A dedicated office adds flexibility – ideal for working from home, hobbies, or additional space when needed.

Practicality is spot-on, with a fully insulated, double internal-access garage incorporating a dedicated laundry area and extensive attic storage. Outside, the fully irrigated section is easy-care yet inviting, complete with a garden shed and room to enjoy without the upkeep.

Whether you're raising a family, simplifying life, investing smartly, or looking for a home that simply feels right, this is a property that adapts – and does it with style.
