Location is the one thing you can't change – and this address delivers. Just a short stroll to the supermarket, cafés, restaurants and pharmacy, you'll enjoy the convenience of township living without being in the centre of town. The current owners have further enhanced the home with the addition of a Bowranda over the patio and spa pool, creating an inviting, sheltered outdoor entertaining space, and the carpet has been replaced throughout.

Positioned to capture all-day sun, the home's natural warmth is complemented by two heat pumps to ensure comfort in every season. The stylish, functional kitchen features quality Bosch appliances and engineered stone benchtops, overlooking the generously proportioned open-plan living and dining area. A separate lounge provides flexibility for hosting guests or simply giving the family extra space to spread out. Thoughtfully configured, the master suite and second bedroom are set apart from the third and fourth bedrooms, offering privacy for parents, with the option to still keep younger children close by. Excellent storage throughout ensures the practical boxes are well and truly ticked.

Zoned for the ever-popular Ararira Springs Primary and Lincoln High School, this is a location that supports both lifestyle and long-term value – making it a smart move for families looking to secure their future.
