FOR SALE BY NEGOTIATION

Set on 1.7 hectares in one of Whangarei's most desirable locations, this is a lifestyle property defined by position, scale, and versatility. Halfway between the coast and the city and surrounded by established, high-value properties, the setting is private, proven, and picturesque.

The main home has been comprehensively renovated and is presented to a high standard throughout. The scale is generous yet well balanced, with multiple living areas suited to both everyday family life and entertaining. The large kitchen is stunning, featuring stone benchtops, a large island, butler's pantry, and quality appliances. Light-filled living spaces open directly to an expansive, north facing deck, covered outdoor area, and an inground swimming pool.

Accommodation is substantial and well arranged. Three bedrooms on the main level are supported by two well-appointed bathrooms, while the master suite occupies the upper level, complete with an ensuite and private balcony. This separation creates a genuine retreat and a strong sense of privacy. A large rumpus or fifth bedroom adds further flexibility to suit your needs, as does triple car garaging with internal access.

Beyond the main residence, a separate modern cottage, designed as a home office adds genuine depth to the offering to work from home, or for extended family or guests to have their own space.

The grounds are flat, established, and well maintained. Open lawns, mature trees, and considered planting provide privacy without isolation. Stables, a utility shed and bore water supply further enhance the lifestyle appeal, supporting a wide range of pursuits.

This is a premium lifestyle property in a blue-chip Glenburnie location. Well executed, versatile, and difficult to replace. Properties of this calibre are tightly held and rarely brought to market.
