Solid, established, and refreshed where it counts, this three-bedroom, one-study property offers an easy step into homeownership right in the centre of Rolleston.

Recent improvements are immediately apparent: new wiring throughout, an Infinity gas system installed in 2024, and new flooring throughout the home. The updated & stylish kitchen and dining area sits at the heart of the home, with French doors opening to a welcoming outdoor entertaining area. The living room is generous and light-filled, with large windows and the option to close off the space with a character barn door. A log burner and two heat pumps ensure comfort through every season. Three double bedrooms, all with built-in wardrobes, are supported by an office, ideal for those working from home or needing extra flexibility. The central bathroom has been modernised, while practical features such as a large separate laundry and enclosed back porch provide excellent storage and functionality.

Outside, the home really comes into its own. A sheltered deck, built-in seating, and a substantial brick BBQ complete with pizza oven create a relaxed, private space to enjoy year-round. The gardens are easy-care, with a garden shed neatly tucked away. This is a home where the hard work has already been done, allowing the new owners to move in and simply enjoy. Exceptionally presented, well-positioned, and ready for its next chapter.
