DEADLINE SALE  
1PM, 15 APRIL 2026 (PRIOR OFFERS CONSIDERED)

Set well back from the road and wrapped in established gardens, this is a home that feels grounded, private and genuinely loved. Sweeping lawns create scale and presence, while mature native trees provide natural shelter and seclusion. Positioned on 6,641sqm (more or less), the setting delivers a peaceful, almost lifestyle-block feel – yet you're only minutes to Kamo Village, local shops, schools and an easy drive into town.

This immaculately presented home is single level and thoughtfully arranged for relaxed, everyday living. At its heart, the lounge is defined by a striking vaulted sarked ceiling, bringing warmth, height and architectural character. Generous windows capture the green outlook, filling the home with natural light and strengthening the indoor-outdoor connection.

The rimu kitchen offers timeless appeal and practical design, positioned to anchor both family life and entertaining. It connects seamlessly to the dining and living zones, flowing to a sheltered patio that extends your living space outdoors.

Accommodation comprises three bedrooms plus a generous rumpus or optional fourth bedroom/office, supported by two bathrooms for comfort and functionality.

A double garage provides secure parking and excellent storage, with ample additional room for vehicles, trailers or recreational gear. Combined with the expansive lawns and private setting, there is real space here - inside and out.

Solid, warm and immersed in nature, this is secluded living on the city fringe - spacious, private and increasingly hard to find.

Our elderly sellers are downsizing and calling for quick action.

## **How does a Deadline Sale work?**

A Deadline Sale is a method where a property is marketed without a price, and all offers must be submitted on or before a set deadline date. As a buyer, this means you have time to view the property, complete your due diligence, and prepare your best offer - whether it's conditional or unconditional.

Because both cash and conditional buyers are welcome, there's often strong competition. The aim is to create a multi-offer situation, so it's important to put your best foot forward. Your agent will guide you through the process, but ultimately, the seller will consider all offers submitted by the deadline and choose the one that best suits them.

## **What is a multiple offer?**

A multiple offer situation occurs when more than one buyer submits an offer at the same time. In this case, all buyers are encouraged to present their strongest offer, as the seller will either accept one or negotiate with a single buyer—excluding others from further negotiation.

## **What does “unless sold prior” mean?**

When a Deadline Sale is advertised with “unless sold prior,” it means the seller is open to accepting an offer before the official deadline. If this happens, the agent will notify all interested buyers and invite them to submit their offers, potentially creating a multiple offer scenario earlier than expected. If the seller accepts an unconditional offer, the property is sold immediately. If a conditional offer is accepted, the sale method may shift to “Price by Negotiation” while that contract is in place. As a buyer, it's important to stay in close contact with the agent and be ready to act quickly if you're seriously interested.
