ANNEXURE SCHEDULE

1. The Covenantor must not:
 - a. Erect, construct or place any new, pre-used or second-hand Building on a Burdened Land without having first been approved in writing by the Covenantee or the Covenantee's nominated agent prior to its placement on the Burdened Land.
 - b. Erect, construct or place any relocatable Building on the Burdened Land except where the relocatable Building has first been approved in writing by the Covenantee or the Covenantee's nominated agent prior to its placement on the Burdened Land.
 - c. Use any caravan, hut or shed as a Dwelling or as any other form of temporary or permanent residential accommodation other than as temporary workers' sheds during construction of a new Dwelling which must be removed upon practical completion of that new Dwelling.
 - d. Allow un-maintained vehicles to be stored on the Burdened Land.
 - e. Park any caravan anywhere on the Burdened Land except other than in a garage provided for that purpose.
 - f. Interfere with or modify any stormwater system or overland flow path. Covenantors shall maintain stormwater systems or overland flow paths that cross private property in a clean condition free of any debris at all times.
 - g. Permit any rubbish, including builders waste materials to accumulate or to be placed upon the Burdened Land, the berm in front of the Burdened Land or any adjoining land or permit grass or weeds to grow to a height exceeding 75mm or otherwise leave the Burdened Land or the berm in front of the Burdened Land in a condition that, in the Covenantee's sole discretion may be detrimental to the Covenantee's subdivision. The Covenantee shall have the right to remove any building materials from the Burdened Land, the berm in front of the Burdened Land or adjoining land, or to maintain the Burdened Land and the berm in front of the Burdened Land in a reasonable condition to avoid the Burdened Land being or becoming detrimental to the subdivision, with reasonable costs to be met by the Covenantor and payable on demand.
2. A Covenantor who commences the erection or construction of any Building on the Burdened Land must ensure that Building is completed within 18 months from the date of commencement of erection or construction. Completion is deemed to include affixing all exterior cladding and completing all exterior painting. This clause does not prevent a Covenantor from constructing a Dwelling in separate stages over a longer period of time provided that each stage is completed within a one year period.
3. At the time that a Covenantor commences the original construction of any Building or Dwelling on the Burdened Land, the Covenantor must ensure that all construction is contained within the boundaries of the Burdened Land and that the only access to the Burdened Land for all construction vehicles and delivery of goods to the Burdened Land is to be from the vehicle crossing constructed at the time of subdivision.
4. The Covenantee shall neither be required nor be liable to enforce the above covenants or any non-conformance of the above covenants.
5. The Covenantor covenants with the Covenantee that it will not oppose, object to, frustrate or take any action, or encourage or cause others to oppose, object to, frustrate or take any action, that might in any way prevent or hinder the Covenantee from progressing and completing the Covenantee's development and/or affecting any zone change, subdivision or land use consents needed to give effect to the development stage of the property at 134 High Street, Southbridge.

6. The Provisions of this Instrument (except clause 5) shall expire ten (10) years from the issue of a separate certificate of title for the Burdened Land.
