Any relevant certificates like Safe & Sanitary reports, QC data, Insulation or COA certificates? Uploaded to Buyer Documents

Other Uploaded to Buyer Documents

The client(s) undertake to disclose to ownly and the listing salesperson (in writing - addressed to the listing salesperson) details of any water penetration issues that they become aware of between listed date and sold date. Additional Notes: (if required)

During Gabrielle, the wind and rain came through a small place in the 3rd bedroom used as an office.

This section is to be maintained during the course of the listing by the salesperson.

If I am aware, or become aware during the course of the listing, that (under ownly or any agency);that there has been an accepted offer within the last twelve months on the property that did not progress to confirmation or settlement, or a potential Purchaser withdrew an offer on the basis of a professional report or was unable to arrange finance or insurance because of an issue with the property, it will be explained below, together with our understanding of the reason for the failure, if it is known.

Salespersons notes: If I become aware during the course of the listing of any Disclosure issues (that were not disclosed elsewhere in this document) I will note them here or on the supplementary page attached:

Vendor Declaration

"The above information has been provided to the best of our knowledge, accurately and in good faith. If we are aware of any defects above or below the ground that could affect the property's weathertightness, durability or habitability we have disclosed them herein. Anything discovered subsequently will be disclosed to the salesperson in writing. We understand the information in this document or subsequent information provided is required by law to be disclosed to Purchasers".
