Type of work:

The prescribed electrical work is:

Reference Standards:

Additional Standards:

<input type="radio"/> Additions	<input checked="" type="radio"/> Alterations	<input type="radio"/> New work
<input type="radio"/> Low risk	<input checked="" type="radio"/> General	<input type="radio"/> High risk (specify):
<input type="radio"/> Part 1 of AS/NZS 3000	<input checked="" type="radio"/> Part 2 of AS/NZS 3000	
<input type="radio"/> Additional Standards: _____		

Description of work: (including date/s of work and type of supply system)

MEN system. Like for like replacement switchboard. Switchboard in original position. (Just larger number of ways.) Installation of new main switch, mcb's and RCD's.

I certify that the completed prescribed electrical work to which this Certificate of Compliance applies has been done lawfully and safely, and the information in the certificate is correct in that the installation, or part of the installation:

Select those that apply:

- Has been installed in accordance with the specified certified design¹
- Has an earthing system that is correctly rated (where applicable)
- Contains fittings that are safe to connect to a power supply
- Relies on a supplier Declaration of Conformity¹
- Has been satisfactorily tested in accordance with the Electricity (Safety) Regulations 2010
- Is safe to connect

Test Results	
Polarity (independent earth):	Pass
Insulation resistance:	>299M
Earth Continuity:	0.15 ohms.
Bonding:	Pass
Fault Loop impedance:	0.37 ohms
Other (specify):	RCD:24/12mS

Electronic/Other reference:

Certifier's signature:

Date: 14 / 11 / 2020

¹ Attach or reference. If it is impractical to attach a copy of a particular manufacturer's instructions, or of any certified design or supplier declaration of conformity, provide a reference to where the documents can be found, in a readily accessible format, by electronic means.

ESC

I certify that the installation, or part of the installation, to which this Electrical Safety Certificate applies is connected to a power supply and is safe to use.

Certifier's name:	Heath Phipps	Registration/Practising licence number:	E266304
Certifier's signature:		Certificate Issue Date:	14 / 11 / 2020
		Connection Date:	31 / 10 / 2020

CUSTOMER COPY - THIS IS AN IMPORTANT DOCUMENT AND SHOULD BE RETAINED FOR A MINIMUM OF 7 YEARS

This certificate also confirms that the electrical work complies with the building code for the purposes of Section 19(1)(e) of the Building Act 2004.

Reference/Certificate ID No: **Brendon Harris 4**

This form has been designed to be used by licensed electrical workers to certify that installations or Part installations under **Part 1 or Part 2 of AS/NZS 3000** are safe to be connected to the **specified** system of electrical supply.
