Some homes just make sense - and this Cressy Oaks favourite is one of them.

Set on a generous 867sqm (approx.) section, it brings together the ingredients families genuinely look for: space to gather, space to retreat, comfort through the seasons, and a location that keeps everyday life easy.

The open plan kitchen, dining and living area is the natural meeting point, with a walk-in pantry, island bench and well-appointed kitchen keeping things practical without losing polish. A separate lounge adds the bonus we all quietly want - a second living space for movie nights, quiet moments, or the beautiful chaos of family life.

Three bedrooms are well supported by a family bathroom with bath, separate toilet, and separate laundry, while the master includes a walk-in robe and tiled ensuite.

Winter is well handled with a log burner (wetback), heat pump, and heat transfer system.

Summer living flows easily outdoors to the wrap around timber deck and BBQ area. The fenced section, established edging gardens, and lawn space give children, pets, and green thumbs room to do their thing.

With Darfield schools, the local swimming pool and Cressy Oaks' gathering green spaces all within walking distance, plus Rolleston and Christchurch within easy reach, this is a home that has done the maths - and got it right.
