11 BUILDING MANAGER'S REPORT

To receive a report from the Building Manager (*to be tabled at the meeting*).

To consider resolving: That subject to any direction of the meeting and/or the Committee the Building Manager's report and recommendations are adopted.

12 COMMON MAINTENANCE MATTERS

To consider resolving: That the Body Corporate's Chairperson/Committee/Building Manager is to agree, approve and arrange the maintenance required over the forthcoming year.

13 BUILDING ACT COMPLIANCE

To consider resolving: That the Committee/Building Manager is to oversee the Body Corporate's Building Act compliance requirements and the issuance of the annual Building Warrant of Fitness.

14 LONG TERM MAINTENANCE PLAN (LTMP)

To discuss the Body Corporate's obligation to have a LTMP and review it at least every three years.

The Body Corporate has a LTMP drafted by Solutions In Engineering which is reviewed by the Committee and Building Manager each year to plan annual maintenance and set the proposed contingency fund budget (see budget and levy item of the agenda) to fund the LTMP.

To consider resolving:

(i) That the Committee and Building Manager are to continue to review the Body Corporate's LTMP drafted by Solutions In Engineering on an annual basis and arrange for any changes arising as a result of the review process to be incorporated into the LTMP.

(ii) That the Body Corporate's Committee and Building Manager are to continue to arrange the required maintenance set out in the plan as and when required.

15 LONG TERM MAINTENANCE FUND (LTMF)

Explanation of Section 117 of the Act pertaining to a LTMF.

To consider resolving by special resolution: That the Body Corporate does not maintain a LTMF but utilises a Contingency Fund to finance its LTMP.

16 HEALTH & SAFETY AT WORK ACT 2015

(i) The Health & Safety at Work Act 2015 (HSWA) came in to force in April 2016. The HSWA introduced the concept of a Person Conducting a Business or Undertaking (PCBU) as the principal duty holder. A legal opinion from Price Baker Berridge is that as the Body Corporate will carry out work from time to time which work is considered to be an "undertaking" it is therefore a PCBU.

The Body Corporate has a health & safety report and hazard register for the complex which the Committee review and update to ensure any hazards noted are removed, minimised or highlighted and any new hazards are noted. Owners are encouraged to ensure they have reviewed the Hazard Register and advise any other relevant parties, including tenants of these hazards where necessary.

To consider resolving: That the Body Corporate instructs the Committee to continue to update the hazard register for the complex and to attend to any hazards as may be required to either remove, minimise or highlight them to ensure a safe environment for all residents, owners and visitors.

(ii) **Asbestos Assessment status:** To confirm the arrangements regarding the completion of an assessment of the common areas for asbestos related risk, what steps are being taken in response, and if any follow-up reviews are scheduled. **Note: complexes built after the year 2000 are entitled to presume that no asbestos-containing materials were used in their construction.**

(iii) Asbestos Management Procedure

To consider resolving: That prior to any owner carrying out repairs, remedial works, renovations or similar building works in their unit and/or any common areas they must initially check for any asbestos being present in the materials that they will be working on; and that if asbestos is discovered the owner must report this immediately to the Committee and await their approval to proceed with the works, which approval would be conditional upon ensuring that an appropriate professional contractor is engaged to handle the removal/management of the asbestos in line with all legal requirements.

17 BUDGET AND LEVIES

To review the proposed budget (*attached*) for the Body Corporate for the forthcoming financial year.

To consider resolving:

(i) That the Body Corporate adopts an **operating account budget of \$59,278.65 + GST** and a **contingency fund budget of \$8,500.00 + GST** for the period 1 March 2025 to 28 February 2026 and sets the levy due date as **15 June 2025**.

(ii) That Strata is authorised to pay standard/regular accounts on behalf of the Body Corporate as they fall due, which accounts relate to the day to day operation of the Body Corporate in accordance with the approved budget, but that any non-standard accounts are to be approved by the Chairperson/Committee/Building Manager.

18 DEBT RECOVERY REGIME

To consider resolving: That the Body Corporate reaffirms its previous comprehensive debt collection regime resolution that seeks to recover from owners who do not pay their levies on time, the full costs associated with all aspects of collecting those levies which term includes all other sums due from the owners to the Body Corporate (please see minutes of previous AGM's detailing the Debt Collection Regime which are on the Body Corporate's 'Owner Portal' at www.stratatitle.co.nz).

19 TAX AGENT

To consider resolving: That the Body Corporate authorises Strata to appoint Bendall and Cant Limited, Chartered Accountants, on their normal terms and conditions, to act as tax agent for the Body Corporate for all tax types and to obtain information from Inland Revenue as required about the Body Corporate.

20 AUDIT OF THE BODY CORPORATE'S FINANCIAL STATEMENTS

Explanation of section 132(8) of the Act.

To consider resolving by special resolution: That all transactions of the Body Corporate are to be made through the Strata Trust Account, which is subject to a two monthly transactional audit by Forbes, Chartered Accountants, and that if any interest is earned on Body Corporate funds it is to be retained by Strata to offset the Trust Account operating and audit costs, on the proviso that any monies other than those in the working/operational account, may at the direction of the Committee be held in a separate deposit (saver/fixed term deposit) account with interest accruing for the benefit of the Body Corporate, less handling and administration fees; and that in terms of Section 132(8) of the Unit Titles Act 2010, the Body Corporate does not appoint an auditor for the financial statements for the most recently completed financial year.

21 COMMUNICATION

To consider resolving: That if Strata has an email address on file for an owner, all correspondence will be sent by email only and not by post, notwithstanding that if Strata is notified in writing by an owner that correspondence is to be sent to them by post that this request will be actioned and no information will be sent to that owner by email.

22 MINUTES TO BE A RECORD OF THE BUSINESS OF THE ANNUAL GENERAL MEETING

To consider resolving: That if within thirty days of distribution of the minutes Strata does not receive any written request from a person who attended the meeting to amend any part of the minutes, that the minutes are adopted as a true and accurate record of the Annual General Meeting.

23 GENERAL BUSINESS

Please note that no "new" items of business may be tabled for voting on at the AGM that are not already set out on the AGM agenda. Comments may however be tabled for notation in the minutes of the AGM.

To the Directors of Strata Title Administration Limited

We have undertaken a limited assurance engagement on the compliance of Strata Title Administration Limited's operation of the Trust Account for the two months ended 30 November 2024.

Conclusion

Based on the procedures performed and evidence obtained from the procedures we have performed, nothing has come to our attention that causes us to believe that Strata Title Administration Limited does not comply, in all material respects, with the following criteria for two months ended 30 November 2024

- The funds held for each of the entities under Strata Title Administration Limited umbrella can be identified within the Trust account;
- Receipts and payments are correctly accounted for;
- Appropriation of the funds is property authorised.

Basis for Conclusion

We conducted our limited assurance engagement in accordance with Standard on Assurance Engagements (SAE) 3100 (Revised) Compliance Engagements issued by the New Zealand Auditing and Assurance Standards Board.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

Strata Title Administration Limited's Responsibilities

The Directors are responsible for compliance of Strata Title Administration Limited with the applicable criteria stated above namely transactions correctly accounted for and charged to the correct entities within the Trust Account.

Our Independence and Quality Control

We have complied with the relevant ethical requirements of Professional and Ethical Standard 1 (Revised) relating to assurance engagements, which include independence and other requirements founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality, and professional behaviour.

Through discussion, enquiries, observation and walk throughs, obtained an understanding of relevant compliance activities that are undertaken to meet the compliance requirements, as required for the operation of the Trust Account.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed. Accordingly, we do not express a reasonable assurance opinion on compliance with the compliance requirements.

Market Notes

Coming off the Auckland Floods and Cyclone Gabrielle, all insurers across all risks are increasing premiums/rates regardless of whether the clients have claimed or not.

Standard increases are starting at 20% through to 40% for those that have had claims costs in the last 12 months.

In addition to increases, all insurers are taking a much more conservative approach to underwriting risks and we are seeing over and over again them declining more risks and being way more cautious in their approach.

Office Bearers Liability

This Policy covers the Chairperson, Committee Members and Bodies Corporate/Entity for their legal liability and associated defence costs for Wrongful Acts (as defined within the policy) arising from their Bodies Corporate duties.

Definition of wrongful act

Claim Procedures

Please complete the claim form and return (see contact details below) along with any supporting documentation including photos and quotes to repair/replace, plus any other reports where applicable.

It is in your best interests to return the completed claim form as soon as possible so the claim can be lodged and claim number allocated and then the other documentation can follow if required.

Once received we will forward to the Insurer for their consideration and let you know if an Assessor is required. An Assessor is appointed based on the type and extent of damage and depends on what the excess level will be for the type of claim being lodged.

Please note:

- For us to provide a claim number, we require the fully completed claim form to be returned so we can lodge with your Insurer who will issue the claim number, and
- Your excess applies to every claim and if recovery is an option, it will only be reimbursed after recovery is successful.

Water leaks

If your claim involves leaking plumbing/roof, you need to arrange for a Plumber/Builder straight away to locate and fix the leak to stop additional damage from occurring. Knowing the cause of the leak is essential for the Insurer's to determine if the resultant damages are covered or not.

Please provide the Plumbers invoice so the cause can be confirmed.

If you have wet carpet, ceilings/gib board etc, in the first instance please arrange for someone to come and remove the water and start the drying process. The likes of Chem-Dry or Jaes are recommended. Until the drying process is complete, the full extent of the damages will not be known.

Glass breakages

If your claim involves glass breakage and it causes a security issue, please ensure photos are taken to support your claim and arrange for replacement as soon as possible.

Please return the claim form, along with photos and invoice.

Malicious damage, break ins/burglary and theft

Please ensure these situations are reported to the Police as soon as possible and that the Police File Number or Acknowledgement Slip is included when the claim form and other supporting documentation is returned.

If we provide verbal advice (for example during a meeting or telephone conversation) that you wish to rely on, you must ask us to confirm the advice in writing.

You must not act on advice given by us on an earlier occasion without first confirming with us that the advice is still valid.

Conflicts of Interest

We will inform you if we become aware of any conflict of interest in our relationship with you (including between the various persons these terms cover) or in our relationship with you and another client. Where conflicts are identified which cannot be managed in a way that protects your interests or you do not consent to the way in which we propose to manage the conflict then we will be unable to provide further services to some or all the persons to whom this engagement applies. If this arises, we will inform you promptly.

We may act for other clients whose interests are not the same as or are averse to yours, subject to the obligations of conflicts of interest and confidentiality referred to above.

Price and Payment

Generally, fees rendered by our firm are based on the value of each assignment which will be billed as work progresses. That value is based on a number of considerations. These include the time spent on the job, its complexity and its importance to you, the degree of skill, knowledge and responsibility involved, risk to our firm and the result we achieve for you. Therefore, our hourly rate is only a guide to our final fee and is not the only factor we consider in fixing the amount we charge you.

We may agree with you a fixed fee for specific services, whether payable in monthly instalments or otherwise. If we do agree a fixed fee engagement, then we will confirm in writing to you the scope of services included in that fee. If it becomes apparent to us, due to unforeseen circumstances, that a fixed fee is inadequate, we may notify you of a revised figure and seek your agreement to it.

Our fees are exclusive of GST which will be added to your invoice where it is chargeable. Our fees are also exclusive of any costs we incur on your behalf (i.e. disbursements) which will be added to your invoice. Payment is required within 14 days of the issue of invoice unless agreed otherwise. We reserve the right to charge interest of 1.5% monthly on late payments.

We also reserve the right to suspend services to you pending receipt of payment for invoices rendered.

If we have provided you with an estimate of our fees for any specific work, this is an estimate only and our actual fees may vary.

If permitted by law and not prohibited by professional standards or guidelines, we may exercise a lien over all materials or records in our possession relating to all engagements for you until all outstanding fees and disbursements are paid in full.

Limitation of Liability

To the maximum extent permitted by law, our maximum aggregate liability (including of all our principals, partners, directors and members) under or in connection with this engagement letter or its subject matter is limited to the amount available to be payable under any Professional Indemnity Insurance held by us. You agree not to bring any claim again any of our (our principals, partners, directors, members and employees) in their personal capacity.

To the maximum extent permitted by law, we are not liable to you for:

- indirect, special or consequential losses or damages of any kind; or
- liability arising due to the acts or omissions of any other person or circumstances outside our reasonable control, or your breach of these terms.

Guarantee

We undertake to complete your requirements as efficiently as possible. If at any time you are not happy with our approach or the quality of work, we guarantee to review the work undertaken for you. A partner not directly involved in the matter will undertake this review. The result of this review will be discussed openly and frankly with you. The review will be at no cost to you.

Professional Obligations and Confidentiality

We are required to comply with all applicable by-laws, rules, regulations, professional and ethical standards and guidelines of Chartered Accountants Australia and New Zealand and the New Zealand Institute of Chartered Accountants (NZICA). These requirements include the NZICA Code of Ethics, which among other things contains confidentiality requirements. In accordance with these requirements, we will not disclose information we obtain in the course of this engagement to other parties, without your express consent, except as required by:

- laws and regulations (for example, disclosures required under the Anti-Money Laundering and Countering Financing of Terrorism Act 2009 (including to a third-party auditor) and as required by the Common Reporting Standard)
- professional obligations including:
 - the provisions of the NZICA Code of Ethics that apply if we become aware of actual or potential 'non-compliance with laws and regulations' (NOCLAR). Where any such non-compliance poses substantial harm (such as adverse consequences to investors, creditors, employees or the public), we may be required to disclose the matter to an appropriate level of management or those charged with governance and/or an appropriate authority.
 - the provisions of the NZICA Rules and Professional Standards that subject us to practice review, trust account audits, investigations and disciplinary procedures. These rules require us to disclose to NZICA, its practice reviewers and/or its disciplinary bodies our files and workpapers including client information. In accepting this engagement you acknowledge that, if requested, our files related to this engagement, may be made available to NZICA, its practice reviewers and/or its disciplinary bodies. Employees and contractors of NZICA are also bound by confidentiality under contract and by the NZICA Code of Ethics.

Ownership of Materials

We own the copyright and all other intellectual property rights in everything we create in connection with this engagement. Unless we agree otherwise, anything we create in connection with this agreement may be used by you only for the purpose for which you have engaged us.

All working papers prepared by us (in any form whatsoever, including physical and electronic) remain our property. We will retain these papers in accordance with our normal record keeping practices in accordance with our professional and legal obligations.

Other

Jurisdiction

Our relationship with you is governed by New Zealand law and New Zealand courts have exclusive jurisdiction.

Continuing Engagement

These terms are not affected by any change to our business structure or by changes to the directors or shareholders of Bendall and Cant Limited.

Liability

If you as our client are a limited liability company or trust, each director or trustee who instructs us is personally liable (in addition to the company or trust) to pay our fees and charges, and personally indemnifies us for payment of those fees and charges. This provision does not apply to independent trustees who have no beneficial interest in the trust, whose liability will be limited to the assets of the trust for the time being, except in the case of dishonesty or fraud.

Parties to this Engagement

You agree that your engagement is with Bendall and Cant Limited. Any services we provide, and our relationship with you, are solely provided by Bendall and Cant Limited. Accordingly, you agree not to bring a claim of any nature against any current or former Partner, Director, employee, staff member or contractor of Bendall and Cant.

Commencement

If we provide these terms of engagement to you and you subsequently instruct us to provide services to you then you will be deemed to have accepted these terms.

Interpretation

If any of these terms is void, that provision will be severed, and the remainder will continue to apply.

SPECIFIC SERVICES

We provide a number of services to our clients. Not all of the services listed below will be provided to you.

Where we agree to provide you with specific services then we will do so as detailed below:

Compilation of Financial Statements & Reports

Where we compile financial statements and reports for you we will do so on the following basis:

- a) We will compile the statements from information provided by you in accordance with Service Engagement Standard No 2 (SES-2) Compilation of Financial Statements issued by the New Zealand Institute of Chartered Accountants (CAANZ).

- b) You will provide us with accurate and complete information necessary to compile such statements:

- This information will be given to us on a timely basis
- The responsibility for the accuracy and completeness of the assertions in the financial statements remains with you
- You accept responsibility for all records and information supplied to us including responsibility for any failure to supply us with relevant records and information

- c) We will not undertake an audit or review engagement and accordingly no assurances will be expressed by us. Each page of the financial statements will be conspicuously marked as being unaudited.

- d) The financial information will be prepared in accordance with appropriate accounting standards for your entity. The basis of preparation will be disclosed as part of the financial information.

- e) Due to the limited scope of the work performed in compilation, we cannot be relied upon to prevent or detect fraud, internal control weaknesses, errors, illegal acts, or other irregularities. Of course, if anything of this nature does come to our attention during preparation of the financial information, we will inform you of this.

- f) We will prepare the financial information and reports knowing that the intended use of these is for yourselves and IRD taxation purposes. You will need to advise us of any changes to the intended recipients of any financial reports. If you distribute any financial reports to any person without attaching to them our statement disclaiming liability, then you will indemnify us against all claims, actions, damages, liabilities, costs and expenses (including but not limited to reasonable legal costs and expenses) incurred by us and arising out of or in connection with any action, claim or proceeding brought by any third party in connection with the services provided by us to you.

- g) Independence is not a requirement for a compilation engagement such as this. However, the CAANZ Code of Ethics requires us to act objectively and to be, or seen to be, independent. If we are aware that our independence may be compromised for whatever reason, we will disclose this in the financial report.

- h) A Compilation Report and Disclaimer will be attached to any Financial Statements or reports that we prepare. You will ensure that this remains attached when distributing the financial statements to third parties. That report will include the matters listed in (a) to (g) above.

- i) Generally we will prepare Financial Statements for taxation purposes in accordance with principles contained within the Income Tax Act 2007 and in accordance with disclosures required by the Tax Administration (Financial Statements) Order 2014. In some cases, an alternative reporting standard may be appropriate. In these cases, we will assist you to identify the standard that should apply. The choice of framework remains your responsibility. You will need to ensure that the standards applied suit your needs including any legislative requirements.

In some cases, there are legislative deadlines relating to the preparation of financial statements. If these deadlines apply to your entity, it is the responsibility of the governing body to

ensure that information is provided to us on a timely basis in order that we may assist directors in achieving compliance with this requirement.

If you engage us for Company Administration, you authorise us to file documents and maintain records on the Companies Register website www.companies.govt.nz on the company's behalf. You also authorise us to use your NZ Drivers Licence or NZ Passport details to request access to the Companies Register where required.

Income Tax Returns

Where we prepare income tax returns, we will do so from information that you provide. It is your responsibility to ensure that we have all the information we require to do this.

We will assist you to understand the importance and risk of signing these income tax returns as being true and correct statutory records. If your returns are incorrect or tax is not paid in a timely manner, then penalties as well as interest charges may apply. The accuracy and completeness of your income tax returns remain your responsibility.

We may ask you to complete an annual questionnaire to obtain all relevant information to assist in the preparation of your annual income tax returns. It is your responsibility to inform us if you acquire any new assets or sources of income and to ensure the final tax returns are a complete and accurate representation of your income and financial position for the year.

We will also assist you with tax planning and discuss options with you in order that you are able to make an informed decision so you may decide upon the proper course of action.

It is your responsibility to ensure that we are provided with accurate and timely information to enable us to do this. The accuracy and completeness of these returns remain your responsibility.

Electronic Authority to Lodge Returns

We may accept (at our sole discretion) emailed or any other electronic authority from you to lodge any document with Inland Revenue (including income tax, GST, FBT, PAYE or any other return). If, for whatever reason, we or any of our employees are exposed to penalties for doing this, you will indemnify us for these penalties.

Tax Advisory Services

We offer tax advisory services where we may issue a tax opinion to you, either written or otherwise. Where we do so we are relying on you to provide us with complete and comprehensive information for us to form a correct opinion.

In forming a tax opinion whether under a formal engagement or otherwise we may use a variety of sources including seeking second opinions from other professionals. You authorise us to seek such opinions and disclose facts as required for the other professional to assist. Where we do this, we will not disclose your name or any other information that would allow you to be identified.

Specifically Excluded Services

We do not provide legal services or investment advice. We are not a Financial Advisor or Financial Services Provider as defined by the Financial Advisers Act 2008.

We do not undertake Assurance Engagements as defined by Chartered Accountants Australia New Zealand. Specifically, to the extent we use the term "review" (or similar wording) it is in the context of a general accounting engagement and not an Assurance Engagement.

Termination

Each of us may terminate this agreement by giving not less than 21 days notice in writing to the other party except where a conflict of interest has arisen, you fail to cooperate with us or we have reason to believe that you have provided us or any other person with misleading or factually inaccurate information, in which case we may terminate this agreement immediately.
