(PRIOR OFFERS CONSIDERED)

Behind its modest street presence, this Fairway Drive home delivers a renovation of serious quality and style. Completely transformed inside, the home has been finished to an exceptional standard, with a luxurious modern interior, quality fittings and a level of presentation that immediately sets it apart.

The kitchen is a clear highlight, featuring stone benchtops, an island bench, butler's sink, beautiful American Oak detailing with a bar and coffee station. It anchors the living space with a warm, high-end feel, while the layout offers excellent everyday function for families, downsizers or buyers wanting a move-in-ready home without compromise.

Accommodation includes four bedrooms, an ensuite, main bathroom and three toilets, giving the home more practicality than first impressions suggest. Every space feels considered, fresh and immaculately maintained.

Close to transport and positioned in a convenient Kamo location, this is a home that genuinely offers more than meets the eye. Zoned for Hurupaki Primary School.

DEADLINE SALE

How does a Deadline Sale work?

A Deadline Sale is a method where a property is marketed without a price, and all offers must be submitted on or before a set deadline date. As a buyer, this means you have time to view the property, complete your due diligence, and prepare your best offer - whether it's conditional or unconditional.

Because both cash and conditional buyers are welcome, there's often strong competition. The aim is to create a multi-offer situation, so it's important to put your best foot forward. Your agent will guide you through the process, but ultimately, the seller will consider all offers submitted by the deadline and choose the one that best suits them.

What is a multiple offer?

A multiple offer situation occurs when more than one buyer submits an offer at the same time. In this case, all buyers are encouraged to present their strongest offer, as the seller will either accept one or negotiate with a single buyer—excluding others from further negotiation.

What does “unless sold prior” mean?

When a Deadline Sale is advertised with “unless sold prior,” it means the seller is open to accepting an offer before the official deadline. If this happens, the agent will notify all interested buyers and invite them to submit their offers, potentially creating a multiple offer scenario earlier than expected. If the seller accepts an unconditional offer, the property is sold immediately. If a conditional offer is accepted, the sale method may shift to “Price by Negotiation” while that contract is in place. As a buyer, it's important to stay in close contact with the agent and be ready to act quickly if you're seriously interested.
