727 m²

Set on a generous 727sqm section and positioned to soak up the north-facing sun, this modern home delivers space, light, and easy living in a popular Leeston location.

The open-plan kitchen, dining and living area forms the heart of the home, with great natural light and easy flow out to the patio and backyard, perfect for everyday living and having friends or family over. The kitchen is well thought out with black stone benchtops, gas cooking, and a walk-in pantry, giving you both style and practicality. A central heating and cooling system keeps the home comfortable year-round, while the double internal access garage includes an integrated laundry and is already wired for EV charging, one less thing to think about down the track.

There are three well-sized bedrooms, giving you flexibility for families, guests, or working from home. The master includes a walk-in wardrobe and ensuite, with a family bathroom servicing the rest of the home.

Outside, the section is laid in a decent lawn and offers a real opportunity to add value. Whether you're thinking landscaping, creating more outdoor living, or fencing for kids and pets, there's plenty of scope here to make it your own.
