

132/5

MANUKAU CITY COUNCIL

APPLICATION TO BUILD OVER OR
IN CLOSE PROXIMITY TO PUBLIC DRAIN

Property Description

Lot 45 DP 98287 Land MANUKAU
House No. 120 Street WATUK STREET DRIVE
Applicant J. W. & S. M. JENKINS.

Certificate confirming accuracy of plans submitted:

I (name) J. W. JENKINS do hereby certify
that the information supplied on the plans submitted concerning the depth
and position of drains and location of the buildings is true and accurate.

Plan References:

OWNER: (if not person certifying)	CERTIFIED BY <u>Owner</u> Designer, engineer,
Name	Name <u>J. W. Jenkins</u> <u>Partner</u> other state
Signature	Signature <u>[Signature]</u>
Date	Date <u>29.8.86</u>
Address	Address <u>2 MONA LISA DR</u> <u>MANUKAU</u>
Telephone	Telephone <u>266 5757</u>

Drains will generally be located on site by:

- either (a) sighting between manholes (if practicable) and using a
plumb bob and string line to establish the exact centre line
of the pipe
- or (b) for shallow drains, exposing the top of the pipe in two
locations under Manukau City Council supervision (contact
the Drainage Engineer, Telephone 2780900)
- or (c) a Registered Engineer or Surveyor
